Recommended First Year Courses

Major: Accounting or Business Administration

Fall 2020	Spring 2021
FFC 100[1] or GE (3)	ECON 200 or ECON 201 (3)
MATH 109 (3)	ACTG 210 (3)
ECON 200 or ECON 201 (3)	COM 219 (3)
GE[2] (3)	GE (3)
GE (3)	Minor or GE (3)

Notes:

1) All new first year students are required to complete a First-year Foundations Course [FFC 100] in their first year of enrollment. It is recommended you enroll in this class in your first semester as a larger number of course sections and topics are available in the fall semester.

2) When you see "GE" listed above, that means you can choose a General Education (GE) class from ANY GE category – it's your choice!
In general, the following GE areas are recommended to begin/complete during the first year:
   - **GE Language Study (strongly recommended)**
   - GE Written Inquiry
   - GE Quantitative Inquiry

   Note: Some GE courses may "double count" with your major or minor. Visit www.chapman.edu/GE to review the GE policies and see a list of approved courses for each GE area.

3) In their first semester, students typically take 12-15 credits (most classes are 3 credits; those with labs are 4). 12 credits are required to be in full-time status.

4) First year students who place into Math 100/L (Learning and Studying Mathematics for Understanding I, with a required lab component) are required to take Math in their first term. For more information, visit http://www.chapman.edu/intro-math.

5) If you have AP/IB Calculus credit, make the appropriate substitution this fall:

Score of 4 or higher in AP Calculus AB or Score of 5 in IB Math HL	Enroll in ECON 200 or ECON 201 in fall instead of MATH 109
Score of 3 or higher in AP Calculus BC	Enroll in ECON 200 or ECON 201 in fall instead of MATH 109
