Student.....: Ms. Test Student (#####)
Program.....: BA in Psychology (BA.PSY)
Catalog.....: 2004
Ant Completion Date: 08/07
Email Address.....: TestStudent@chapman.edu

Program Status: In Progress

	Required	Current..... Earned	Remaining	Anticipated(*)..... Additional	Remaining
Chapman Credits:	32.00	30.00	2.00	13.50	0.00
Chapman GPA.....:	2.000	2.889	Met		
MINIMUM TOTAL Credits:	124.00	27.00	97.00	13.50	83.50

(*) Anticipates completion of in-progress and registered courses

Statuses: W=waived, C=Complete, I=In progress, N=Not started
P=Pending completion of unfinished activity

N) 1: Upper Division Credit

- > Complete 36 upper division (300 or 400-level) units.
- > Note that many majors do not require 36 upper division
- > credits. In such cases, upper division credit must be
- > taken in GE or as elective credit.

Credits: 0

N) 18 OF THE 36 CREDITS MUST BE TAKEN AT CHAPMAN

18 credits needed

N) THE ADDITIONAL 18 UPPER DIV CREDITS MAY BE TAKEN AT
> CHAPMAN OR ANOTHER 4-YEAR COLLEGE OR UNIVERSITY

18 credits needed

I) 2: GE: Prep Skills/Basic Subjects/Breadth Req.

Credits: 15.5

Complete all 9 sub-requirements:

I) A: Preparatory Skills

- > Must be complete by 3rd semester or probation results.
- > Note: Do not apply to 124 credit graduation minimum.

Credits: 3

C) EDUC 099 - READING STRATEGIES

WAIVER-ED099..... NONC --- 0 *NE

C) ENG 099 - BASIC WRITING STUDIO

ENG-099..... 2003FAO P 3

C) MATH 098 - ELEMENTARY ALGEBRA

WAIVER-MATH099.... NONC --- 0 *NE

C) MATH 099 - INTERMEDIATE ALGEBRA

WAIVER-MATH099.... NONC --- 0 *NE

VERIFY YOUR ACADEMIC INFO VIA WEB ADVISOR

Students are given full credit for baccalaureate transfer courses in which a minimum grade of “C-“ has been earned.

This section of your audit provides general information regarding you and your current academic program. In this case, it is indicated that this is the academic evaluation of Program Evaluation Test Student whose major is the 2004 catalog year version of Psychology.

Remember to forward your CU e-mail to your personal e-mail account.

This section also provides your credit totals. The first two rows refer to Chapman requirements (what must be completed at Chapman). The last row indicates overall requirements.

The **first column**, the amount of credit that must be completed and the GPA that must be earned. Program Evaluation *only calculates CU GPA*

The **second column**, the amount of credit currently complete

The **third column**, what is currently remaining

The **fourth column**, credit that is in progress

The **fifth column** indicates the minimum amount of credit that will be needed if all credit that is in progress is successfully completed.

Also note the key to requirement and sub-requirement statuses at left. These provide a “shorthand” to your progress in each requirement and sub-requirement (W, C, I, N, P).

36 credits of upper division (300 or 400 level) coursework are required. This section will give you a count of the number of upper division credits completed, in progress, pre-registered, and remaining. Per your catalog 18 credits must be completed at CU, 12 of which must be in your major. The remaining 18 credits of upper division coursework may be taken at either CU or from another 4-year college or university.

The **Preparatory Skills & Basic Subjects** section of your program evaluation will indicate your progress toward the completion of your basic subject requirements.

Preparatory courses (98/99 level) do not count toward the 124 cr. needed to graduate. These credits are deducted from your program evaluation automatically.

Note: Completed courses may have a *NE notation. This means the requirement was met by a “Non-Course Equivalency”, i.e. NONC. A NONC can be anything from ACT/SAT (which is not awarded credit) to specific AP/IB (which some are awarded credit).

 POSC-100..... 2004INO B 3
 N) SOCIOLOGY (GE CODE SO)
 _____ 1 course
- =====

FFC 100, Written Communication, and the **Physical Activities** are all considered **Basic Subjects** (FFC is taken for a letter grade, P/NP is not acceptable).

It is highly recommended that you complete your basic subject coursework as early as possible as these courses are prerequisite to many junior and senior level courses and the skills you will gain are important building blocks in your further studies.

Transfer students who have not yet matriculated to Chapman University may use non-GE coded coursework for our required General Education Breadth Requirements. Once the student has matriculated to Chapman, all rules and guidelines are dictated by the university catalog.

Chapman's **Fine/Performing Arts** section calls for the completion of 3 cr. in either *ART, FTV, MUS, TD, COM, or ENG (creative writing)* - GE Code FA. You may not use the discipline of your major to double count in this area. Only approved GE coded TD activity courses may be used in the Fine/Performing Arts area, but they may **not** double count with Physical Activity courses.

The **Humanities** requirement calls for the completion of 9 credits in a minimum of 2 areas. It is possible to complete the requirement with only three courses, but, depending on the courses taken, it may require more because of the "area" restriction.

Please note the print text of the Humanities "Area" sub-requirement, "Complete 2 of the 4 below:"

You may not use the discipline of your major to double count in this area i.e. if you are a REL major you may not use REL in this area, but if a PHIL course is in your REL major, you may double count the PHIL course from your major in your GE Breadth Humanities **and** in your major, *so long as the GE courses are Code approved.* GE Codes; HU, CO, LI, PH, RL.

The **History** requirement calls for 1 HIST course that is 3 credits with the GE Code of HI

A course "about history" and FFC 100 do **NOT** satisfy this requirement. Students majoring in History satisfy this requirement by virtue of their major.

The **Social Science** requirement consists of 6 credits in a minimum of 2 different areas.

* Approved LEAD and SOC courses count under the Sociology discipline for students whose major is *not* in the Department of Sociology.

* Transferred ANTH courses count under the SOC discipline for students whose major is not the Department of Soc.

You may not use the discipline of your major to double count in this area. i.e. if you are a POSC major you may not use POSC in this area, but if a SOC course is in your POSC major, you may double count the SOC course from your major in your GE Breadth Social Science **and** in your major, *so long as the GE courses are Code Approved.*

=====

_____ 1 course
N) TAKE 1 GE-APPROVED SCIENCE COURSE (GE CODE: NS)
> EXCEPT ESCI 101 AND ESCI 111
_____ 1 course
=====

Natural Sciences:

The **Natural Science** requirement is two courses, which must total at least 7 credits. Double counting within the science majors is acceptable. GE Code NS. Honors students may elect to take HON 204 in place of SCI 100 and will still be held to another 4 credit science course (w/ lab).

A transfer student before matriculation may use one life and one physical science (one w/ a lab) and both w/ a C- or > grade to satisfy this area. In which case the Natural Science block will be satisfied.

All students must complete 1 of the 6 listed Natural Science Plans

=====
I) 4: GE: Chapman Common Requirements

Credits: 3

Complete all 5 sub-requirements:

N) A: Quantitative Reason

- > Calculus (MATH 110) or Statistics (MATH 203)
- > Note: Math 104 is a prerequisite for Math 110 & 203

_____ 1 course needed

N) B: Foreign Language

- > "102-level" or higher. Must complete/waive 101-level
- > course (of the same language) prior to taking 102.

_____ 1 course needed

I) C: World Cultures

- > Three World Cultures courses (GE Code WC).
- > --May double-count with any requirement
- > EXCEPT Human Diversity

Credits: 3

I) 5: Psychology Major

Credits: 7

! GPA Achieved/Needed: 1.7 / 2

Complete all 3 sub-requirements:

I) A: Core Requirements

- > Psychology students must receive at least a C grade
- > (not C-) in all major coursework. All coursework
- > must be taken for a letter grade. (Passes not accepted)

Credits: 7

I) PSY 101 INTRO TO PSYCHOLOGY

> PREREQUISITE TO ALL OTHER COURSES

PSY-101..... 2003FAO C- < 3> *G *GPA

_____ 1 course needed

Quantitative Reasoning:

Complete one semester of calculus (Math 110) or statistics (Math 203).

Students who have completed the appropriate math course in transfer will meet the requirement so long as it has been articulated. SBE students may use MGSC 309 for this requirement.

Note: Math 104 is a pre-requisite for Math 110 & 203.

Foreign Language:

The foreign language requirement can be met by a 102 level course or >. If and when a 101 level course is taken, it will appear in the "Other Courses." Depending on a student's language competency level, students may be held for the entire req., for the second semester, or waived from the requirement entirely – refer to your CU catalog.

Students w/ a language major satisfy this requirement. Students having completed 2 years of high school foreign language may enroll directly in 102; those completed 3 years may test out of this requirement.

***World Cultures:**

World Cultures – GE Code WC (non-European) calls for 9 cr. (three courses) in a min. of 2 different disciplines. At least one of the courses must be taken as upper division (300/400 level). The UD level course will be reflected two times, but will only count for credit once.

***Human Diversity:**

Human Diversity – GE Code HD calls for one 3 cr. course.

***Note:** Human Diversity and World Cultures courses may be transferred in through a petition process. HD and WC may double count with courses in the major, general education, or electives so long as it is GE Code approved. They may not double count with each other.

JWP Examination:

The JWP must be taken after the completion of 60 credits.

The JWP Exam is a "Non-course" so the requirement is listed on your audit as "1 course needed." Keep in mind that this is referring to a test. A score of *failure will* require you to take a **course** and the **exam** again. A score of *deficient* gives you the option to re- take the exam or take an approved course and exam

Major:

Requirements:

All coursework required for your major is listed indicating what has been met at Chapman or in transfer and what still remains to be completed.

Major GPA:

Program Evaluation calculates only the Chapman courses.

Most majors require a letter grade of C- or greater. Please review your catalog for specific policy requirements pertaining to your major.

Major Cont.

If your program evaluation does not reflect substitutions, waivers, or transfer articulations that have been agreed upon by your department, ask your

Department Chair to either:

- a) Fill out a Revision of Program Requirements Form and send it to your evaluator
- b) E-mail your evaluator directly with the detailed approvals.

Only then can your evaluator make the necessary adjustments to your program evaluation.

NOTE: Only the Department Chair, not your advisor, may grant approval for substitutions, waivers, or the use of transfer work for major requirements.

The **“Other Courses”** section of your degree evaluation should be reviewed carefully. This section indicates all general elective credit, or coursework taken that has not met a specific requirement, but is helping you reach the 124 credit minimum requirement needed for graduation.

If coursework is listed in this section that you believe should meet a degree requirement other than general electives, we suggest you

- a) E-mail your evaluator through your CU e-mail account or
- b) You may need to meet with your advisor and/or Dept. Chair. for prior approval.

You may also see at times ***TE**. This course, TRANS is a course taken at a transfer institution that may have been articulated to one of our courses and is counting toward a requirement or as general elective credit.

Some of the ***NE** courses are either SAT/ACTAP/IB/CLEP/DANTES/WAIVER courses in which a high enough score may award credit for specific courses at Chapman or a high enough score may solely waive a requirement at Chapman and not award any credit.
