### 5:00 Closing Reception

The Center for Global Trade & Development at Chapman University is dedicated to interdisciplinary research and programs on a wide range of issues related to globalization and human development.

It is housed at the Chapman University School of Law, which is located in Southern California, in the heart of an increasingly diverse Orange County near the Ports of Long Beach and Los Angeles, together the largest seaport in the United States and the nation's largest gateway for trade with Asia, the Pacific Rim and Latin America. For more information on The Center for Global Trade & Development: <http://www.chapman.edu/law/programs/clinics/globalTrade.asp>
