VI. Open Forum

- a. Riya Belani: Thanks for coming to bagels and boba! Some notable feedback: people do not understand what SGA is, increase transparency regarding in-progress initiatives, sustainability and mental health are student priorities, club funding process is misunderstood/confusing, not enough space on campus/reservation blockouts, classism on-campus (specifically in Dodge), collaborative SGA events (between colleges). Will post more detailed information/responses in the Slack channel!
- b. Tiffany Le: Club funding summary by month/organization/line in the works. Hoping to take on storage for student organizations on campus, and providing more resources on alternative funding options.
- c. Whitney Gassman Mennes: Planning to go over funding process with Student Organizations sometime in February, any senators are welcome to attend.
