

## *The Rhetorical Mediator is out!*

Join us to celebrate with an amazing panel and a translation/interpretation workshop!

Event open to all Chapman students and faculty.

*The Rhetorical Mediator* reveals how and why scholars and user experience (UX) researchers can include Indigenous technical communicators and translation and interpreting practices in their interdisciplinary conversations.

*«Glass ceiling breaking. Está cabr\*\* el libro—this book is powerful and meaningful to all who read it. The engagement of Indigenous people in the technical writing field is next-level thinking that will surely have people wanting more. Gracias.»*
