**It's All Greek To Me: An Exploration of  
Greek Mythology and Its Significance in  
Western Culture Throughout History**

This presentation will explore the evolution and impact of Greek mythology on western culture over the course of the last 2000 years. How and why do the translations and re-imagining of these important stories shift from century to century, and to what end should we continue to reinterpret or revise classical Greek mythology when presenting them in an educational or entertainment context today?
