

## 2012-13 CATALOG or later

Honors courses – GE credits; major/minor credits (with approval)\*

Here's what Honors credits can do for you: \*

Students take 9 courses, including Honors Forum and Honors Capstone, to complete the Honors Program.

Transfer students, with 60 credits prior to matriculation, take 6 courses, including Honors Forum and Honors Capstone.

1. Completion of the Honors Program automatically fulfills the I/M GE cluster.
2. Honors courses carrying a GE can be assigned to fulfill one GE category each, with stipulations for courses also receiving major or minor credit (See #3.)
3. If a student wants to assign an Honors course to fulfill a GE category AND a major or minor credit:
  - a. Up to 3 Honors courses can be assigned to fulfill both GE and major requirements.
  - b. Up to 2 Honors courses can be assigned to fulfill both GE and minor requirements.
4. Courses under multiple main Honors categories can only be assigned to one category.
5. A semester-long study abroad course can count as an Honors elective course.

*\* Be advised that information below is deemed reliable BUT is subject to change by CU Academic Council. (Revised 8/1/18)*
