Note: Lists of courses in each GE category are provided to give students information on what courses may be available. However, the most up-to-date and official information about whether or not a course is approved for a GE category is in the course description provided in Campus Solutions through the student portal.

Students choose a course and/or complete three credits in the Citizenship category, of the Citizenship, Community and Service Inquiry, that addresses that category’s learning outcomes.

Citizenship Learning Outcome:

- Student demonstrates through analysis and/or personal engagement an understanding of the emergence, development, operations, and/or consequences of political systems in the US and/or other countries.
- Student can identify the rights and responsibilities of citizens and/or leaders as embodied in political, civic, or service organizations.
