

GLOBAL STUDY

The Global Study category requires two courses or six units of credit. Students may complete the Global Study category through a Chapman sponsored Study Abroad Programs offered through the Center for Global Education. A full semester abroad in a Chapman program completes this category. Shorter Chapman sponsored travel courses to locations abroad fulfill one course or three units of credit for this category. In addition, students have the option of selecting any course listed below that allow them to explore the diversity inherent in our social and natural environments, including human diversity and world cultures. (The GE code is GC, 6 credits.)

Learning Outcome: Students connect contemporary social and/or environmental topics to their origins and analyze their effects on our increasingly globalized world. [Revised spring 2019]
