

**Select an Accelerated Program:**

- Accounting (Accelerated)
- Health Sciences to Athletic Training (Bridge Program)
- Behavioral and Computational Economics (Accelerated)
- Business Administration (Accelerated)
- Computational and Data Sciences (Accelerated)
- Curriculum and Instruction (Accelerated)
- English (Accelerated)
- Film Studies (Accelerated)
- Food Science (Accelerated)
- Health Sciences to Food Science (Bridge Program)
- Health Sciences to Doctor of Physical Therapy (Bridge Program)
- Health Sciences to Health and Strategic Communication (Bridge Program)
- Health Sciences to Physician Assistant Studies (Bridge Program)
- Health and Strategic Communication (Accelerated)
- International Studies (Accelerated)
- Leadership Development (Accelerated)
- Pharmaceutical Sciences (Accelerated)
- War and Society (Accelerated)

 **Contact the Graduate department**

Department Advisor Name: \_\_\_\_\_  
 Title: \_\_\_\_\_

 **Create a plan for undergraduate preparation into Accelerated program**

- Map out a 4-year plan for undergraduate coursework
- Plan graduate courses you will enroll in Senior year

 **Apply to the Accelerated Program your Junior year**

\*You must be admitted to the Accelerated Program before you can enroll in graduate courses your senior year

\*Apply to the term that follows the completion of your undergraduate degree

\*While you take graduate courses your Senior year as an undergraduate student, you will apply to the term when you will be graduate student status.

- Know the application requirements for your Accelerated Program
  - Visit the program website
  - Seek advisement from the graduate department

 **Understand your finances for the Accelerated Program. Meet with the following offices for advising on the transition from undergraduate to graduate status:**

- Business Office
- Graduate Financial Aid office

 **Register for graduate courses**

- For questions on registration, contact the graduate department, or the Registrar's Office
