MASTER ACCOUNTING. **FAST-TRACK YOUR FUTURE.**

CHAPMAN  
UNIVERSITY

**Argyros College of  
Business and Economics**

## MASTER ACCOUNTING. FAST-TRACK YOUR FUTURE.

Gain a competitive edge and enhance your analytical skills with the STEM-designated Integrated MS in Accounting. Designed to strengthen your resume and career prospects, this program helps accounting students meet CPA licensure requirements while preparing for opportunities at top firms and beyond. The Integrated MSA is exclusively available to current Chapman University students pursuing a BS in Accounting, providing a seamless transition to advanced studies.

### PROGRAM HIGHLIGHTS & SERVICES

- STEM-designated program
- Full or part-time pace with completion in as little as one additional semester
- Curriculum designed to prepare students for the CPA Examination
- Courses offered weekday evenings
- Dedicated career resources & access to distinguished research centers
- Global travel course opportunities

### PROGRAM REQUIREMENTS

- Online application due in the spring of junior year, no later than May 1
- Complete 75 credits or more of undergraduate coursework with a cumulative GPA of 3.250 or higher
- Official GMAT score of 600 or higher submitted no later than July 1 before the fall of senior year (waivers available)
- Resume & Statement of Intent
- Letter of Recommendation
- Interview

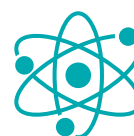

### THE ARGYROS ADVANTAGE

Chapman University's Integrated MSA program provides an accelerated path to a graduate degree and CPA licensure, allowing you to earn your master's in just one additional semester after completing your undergraduate studies. The Capstone course will prepare you for the Financial Accounting and Reporting (FAR) portion of the CPA exam.

Engage with ambitious, like-minded peers to deepen your accounting expertise and develop leadership abilities essential for the profession. With a strong emphasis on technical proficiency and decision-making, the Integrated MSA equips you to navigate the complexities of today's accounting landscape.

Backed by personalized career support and a robust alumni network, you'll gain valuable connections and industry insights to excel in the program and fast-track your career after graduation.

STEM-DESIGNATED  
DEGREE PROGRAM

### KEY DATES & DEADLINES

**MAY 01** PRIORITY DEADLINE

Applications are accepted through May 1 during the applicant's **junior year**.

You'll begin taking MSA coursework during your senior year and will be able to earn an MSA within one year after graduation.

The Integrated MSA is only open to Chapman University undergraduate Accounting majors.

My time in Chapman's MSA program was an amazing experience. The challenging courses prepared me for the CPA exam and my career, while the program's resources enriched my learning. With smaller class sizes, I connected easily with professors and received valuable advice on coursework, recruiting, and career growth.
