Information

All students must pay a Health Center fee of \$122 per semester or be enrolled into the UHC student insurance \$1,182.50 per semester

The Student Health fee is included in the tuition for full time students. Undergrad and Graduate students can opt into our services anytime on their Student Center portal.

With the fee paid, students can be seen unlimited number of times in the semester

We do not charge co-pays or accept personal insurance except Chapman's UHC Choice Plus insurance

Our Services

Acute Illnesses – First Aid care, Influenza, sore throats, UTI, sprains & strains, GI, sinus infections, bronchitis

Reproductive Health – Wellness exams, PAP smear, Contraception (birth control/ condoms), STI testing

Health screening – Tuberculosis, Sickle cell, Diabetes

Medication – OTC medication is available for free or at low cost for students. We also have a small dispensary onsite; our providers can prescribe ex: antibiotics, birth control pills, Albuterol inhalers

Resources

Our team collaborates with Student Psychological Counseling Services to ensure comprehensive medical support for the students they serve.

Our team also collaborates with social workers in Case Management Services to provide overall support to patients ex: finding specialists that accept their personal insurance

We provide a list of recommended specialists, dentists, optometrists in the area. We also have a list of psychiatrists/ therapists that can prescribe medication.

UHC Choice Plus (PPO)

- Student Insurance is \$1,182.50 per semester for Undergrad. Annual is \$2,365.00
- Summary of Benefits and digital insurance card can be found at <https://www.uhcsr.com/chapman>
- Students must create an online login to access their digital card and submit claims.
- Prescriptions are now covered with insurance.
- The Student Business office can answer any questions related to insurance 714-997-6617
- Students should call UHC to assign a PCP once their benefits start to continue any long-term care.
- Students should not need a referral to see any specialists.
