FTE is the sum of the full-time headcount plus a proportion of the part-time headcount. The full-time equivalent of part-time students is determined as follows:

The categories do not denote scientific definitions of anthropological origins. The designations are used to categorize U.S. citizens, resident aliens, and other eligible non-citizens. Individuals are asked to first designate ethnicity as: Hispanic/Latino or Not Hispanic/Latino. Second, individuals are asked to indicate all races that apply among the following: American Indian or Alaska Native, Asian, Black or African American, Native Hawaiian or Other Pacific Islander, White.
