Resetting Your Storyboard

# How to Reset Your Storyboard

If at any point you are unable to get back to a certain screen or you wish to start over, simply “Reset” your storyboard.

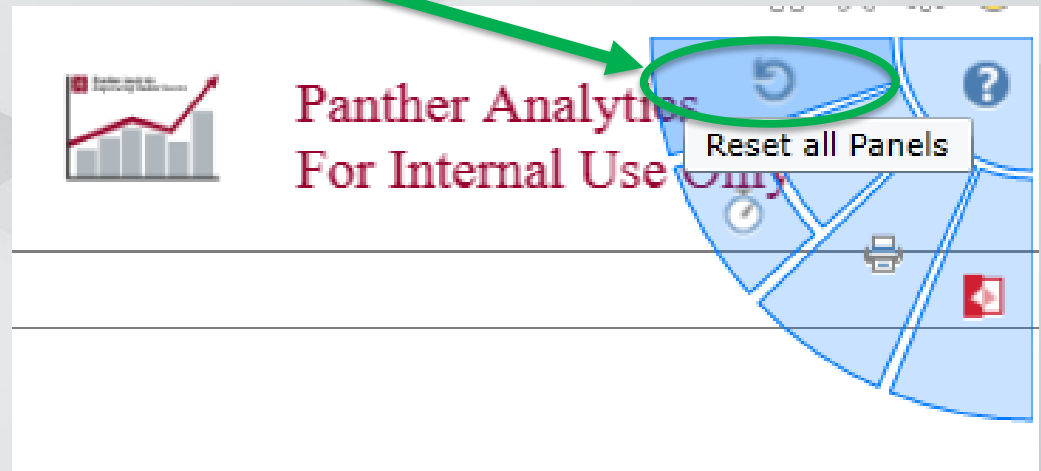

# How to Reset Your Storyboard

- 1) Hover your mouse pointer over the Pyramid icon in the top right corner of the page.

# How to Reset Your Storyboard

2) Click on reset icon, as shown below.

# How to Reset Your Storyboard

3) Re-enter your preferred slicers.

The screenshot displays a software interface with two main components highlighted by green circles:

- College Selection:** A dropdown menu is open, showing a list of colleges. The 'College of Educational Studies (CES)' is highlighted in blue. The list includes: All Academic Colleges, College of Educational Studies (CES), College of Film & Media Arts (CFMA), College of Health & Behav Sci (CHBS), Coll Arts, Hum, & Social Sci (CHSS), College of Performing Arts (COPA), College of Science & Tech (COS), School of Business & Economics (SBE), School of Communication (SOC), School of Law (SOL), School of Pharmacy (SOP), and General (GEN).
- Department Selection:** A dialog box is open, showing a list of departments. The 'All Academic Departments' option is checked. The list includes: All Academic Departments, Extended Education (EXTU), Criminal Justice (CJCU), Liberal Studies (LBSU), Mathematics (MATU), Psychology (PYSU), Social Sciences (SSCU), Sociology (SOCU), Business Admin University Coll (BACU), Career Counseling (CCNU), Computer Science (CSCU), Human Resources (HRCU), Organizational Leadership (OLCU), Public Administration (PADU), Education - CUC (EDUU), and General/Unknown/ND (GENU). The dialog has 'Deselect All', 'OK', and 'Cancel' buttons.

The background shows a bar chart titled 'Student Count and FTE by Acad Level (Career)' with values 8,428 and 6,176.

Tip:

“Resetting” is a great alternative to “Drilling Up”
