

The Institutional Compliance Committee

The ICC supports Chapman University in providing broad oversight of university related regulatory issues.

Institutional Compliance

Institutional Compliance comprises of activities that support coordination, management, and monitoring of the risks associated with federal, state and local laws and regulations.

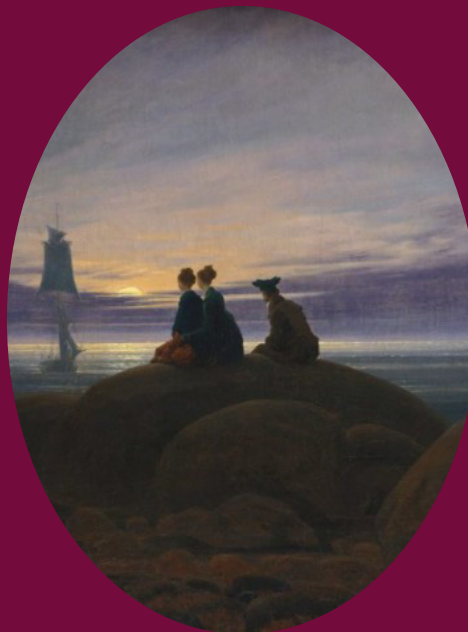

Legal Affairs

The Office of Legal Affairs provides legal services to the University. Members of the University community needing assistance with University-related matters may contact the Office through their department heads.

Financial Services

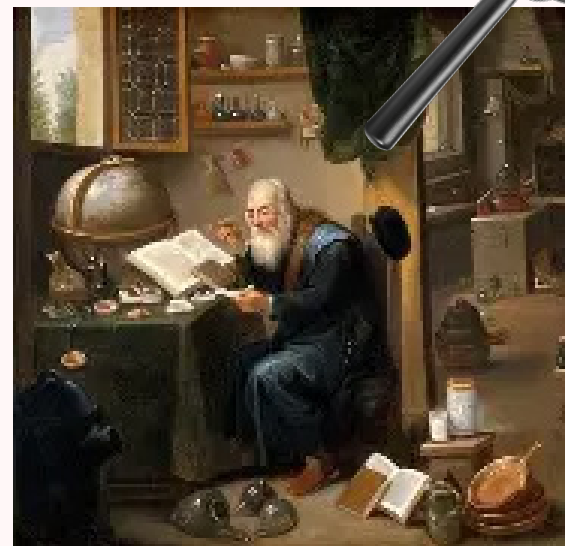

Financial Services provides customized support in financial, logistical, and administrative areas. They also maintain and improve the university's infrastructure, financial records, and fiduciary responsibilities, always acting with ethics and accountability.

Equal Opportunity & Investigation/HR

The Equal Opportunity Office (EOO) at Chapman University is entrusted with ensuring compliance with both federal and state laws, as well as the institution's policies and procedures related to discrimination, retaliation, sexual harassment, and sex offenses.

Research Department

Develops and leads research strategic planning, working in close partnership with the vice provost for graduate education and the deans of Chapman's 11 schools and colleges, while also collaborating with federal and state offices, granting agencies, foundations, business and industry to identify research collaborations and funding opportunities.

Center for Global Education

The Center for Global Education (CGE) works closely with the Chapman University community to provide students and scholars with international educational opportunities. Global citizenship is a high priority for Chapman, and we offer thousands of courses in hundreds of locations worldwide for students to partake in global experiences.

Office of Provost

The Provost and Executive Vice President of Academic Affairs is the University's Chief Academic Officer. The Provost is responsible for overseeing all academic, faculty, and student affairs, reporting directly to the university president.

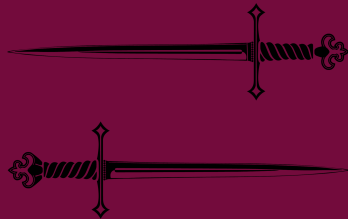

Office of Enrollment/Financial Aid

Enrollment Management works with departments across campus to support prospective and current students and their families.

The Office of Financial Aid educates students on the financial resources available to them and connects them to scholarships, grants, and other aid to assist with educational costs.

Risk And Safety

The Risk Management Department leads the operation of a comprehensive risk management program that contributes to the health, safety and protection of employees, students and visitors, while also protecting the University's physical and financial resources.

Dean of Students *

The role of the Dean of Students is to oversee student well-being, discipline, and success by managing student conduct, programs, and a supportive environment.

University Advancement

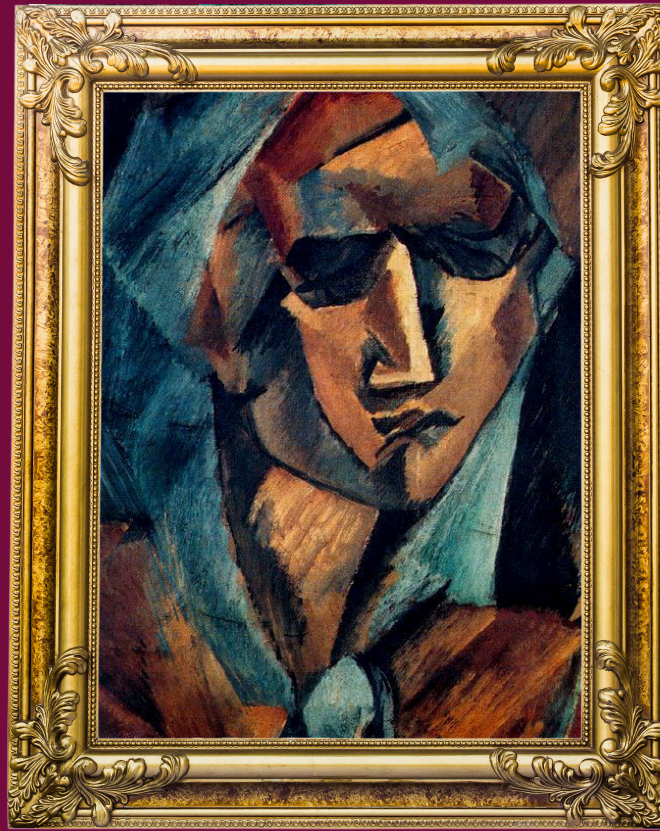

University Advancement's role is cultivating and maintaining relationships with external stakeholders, such as alumni and donors, to raise funds and advocate for the university's mission. Advancement efforts secure funding for essential areas like scholarships, research, and state-of-the-art facilities.

Office of IS&T

The mission of Chapman University Information Systems and Technology (IS&T) is to serve the technological needs of the Chapman Community through collaboration and sound practices, balancing reliability with innovation. IS&T provides IT solutions and support to the Panther community and promotes teaching and learning, research, and administration. IS&T's purpose is to power the daily operation of the University while being a force for change and innovation.

Happy Compliance Week 2025!
