

Registering For A Parking Permit (Student)

<https://chapman.nupark.com/portal>

Step 1: Log in by clicking the “Chapman University SSO” button.

The screenshot shows the 'Parking Account Login' page. At the top left is the 'CHAPMAN PARKING' logo. At the top right are links for 'Register', 'Log in', 'Home', 'Citations', 'Contacts', and 'Help'. The main heading is 'Parking Account Login'. Below it, a text block says: 'If you are a Chapman University Student, Faculty, Staff, or Admin member, please select the Chapman University SSO Login button below.' A button labeled 'Chapman University SSO' is positioned below this text. To the right, a link 'Are you a visitor?' is followed by a paragraph: 'Visitors who create a parking account can easily and quickly obtain a temporary parking pass for future visits. Visitor parking accounts are intended solely for individuals not associated with Chapman University. Students, Faculty, Staff, and Admin members are required to use their Chapman University SSO Login.'

Step 2: You will be redirected to the log in page. Log in with your full chapman email (including @chapman.edu or @mail.chapman.ed) and password and click “sign in”

The screenshot shows the Chapman University login page. On the left is a faded image of a university building with 'CHAPMAN UNIVERSITY' written on a stone wall in the foreground. On the right, the 'CHAPMAN UNIVERSITY' logo is at the top. Below it, the text 'Sign in with your Chapman e-mail address' is followed by two input fields: 'username@chapman.edu' and 'Password'. A red 'Sign in' button is located below the password field.

Step 3: Upon logging in you will be taken to an overview page which will show your Personal Information and Contact Information on the right hand side. In the center of the page, you will see all vehicle registered on your account. **If there is a red line on the left hand side of the vehicle, then there is no permit registered to or valid for that vehicle.

Step 4: To begin registering for the permit you will either move the cursor over the “Permit” tab near the top of the page and click “purchase Permit” or utilize the Quick Link for “Purchase Permit” in the bottom right hand corner of the summary page.

Purchase Permit

Where Can I Park?

Welcome to Chapman University Parking Permit Registration Portal.

Registered Vehicles **Permits**

Please add, edit, or remove your vehicles by selecting the appropriate menu below.

Step 5: Once clicking "Purchase Permit" select the academic term that you are registering for and click "next"

Online Permit Sales: Select a Term

Current Parking Fees: [View the current parking fee schedule \(new window\)](#)

Parking permits are mandatory for all university constituents. Parking on city streets (including parking with an Area A Permit) or in public lots (including Metrolink & Orange Public Library Lots) while attending classes, events, teaching or working at the university violates the university's parking policy and agreement with the city.

Students are automatically billed for a parking permit through the Student Business Office. The following steps will allow you to register for a parking permit. If you do not have a vehicle or commute via alternative means, you must apply for a parking permit waiver at www.web.chapman.edu/parkingwaiver.

For changes in status such as no longer needing a permit or having a waiver on file and needing a parking permit, email Parking & Transportation Services at parking@chapman.edu. Physical permits will need to be returned within the first 3 weeks of a semester to qualify for a refund. The Business Office will be notified by Parking & Transportation Services when a student with an active waiver registers for a parking permit. Parking permit fees will be assessed accordingly.

Permit eligibility is subject to verification by Parking Services.

Fixed Dates

Step 1 of 7: Select a Term

Start by selecting which term you want to park a vehicle on campus.

17/18 Annual Permit

Start: August 1, 2017 12:00 AM
End: August 10, 2018 12:00 AM

Next

Step 6: You will next be prompted to select your permit type.

Online Permit Sales: Permit and Vehicle Selection

Step 2 of 7: Select Permit

Parking permits are restricted to specific parking areas. Please refer to the parking plan/map

Student - Resident Motorcycle Decal

Do you have a valid disability placard registered to you?

Step 7: If you have a disabled placard, please click the check box below the permit options. You will need to upload a copy of the Disabled Placard Registration from the DMV as well a photo of the disabled placard.

Do you have a valid disability placard registered to you?

Upload a copy of your disability placard registration along with a photo of the placard

Select files...

Step 8: Next you will either need to select the vehicle(s) that you will be driving to campus or register your vehicle.

****If driving multiple vehicles you will need to select both vehicles by holding down the shift/command key and highlighting each vehicle. The selected vehicles will be highlighted in red.**

Step 3 of 7: Add Vehicle(s)

Parking permits are tied to the license plate numbers of permit holders' vehicles. University Parking Services checks vehicles for proper permitting through license plate recognition, or LPR. The permit holder is responsible for registering any vehicle parked on campus. Unregistered vehicles parked on campus or multiple vehicles attached to one permit on campus at the same time are subject to citation. To link vehicles to your permit, add vehicles below then hold control/command key down to highlight each vehicle. Only vehicles highlighted will be linked to the permit. Non-linked vehicles will be subject to citation.

Type	State	License Plate	Make	Style	Color		
Automobile	CA	CGCGCGC	Aston Martin	Hatchback	Copper	<input type="checkbox"/>	<input type="checkbox"/>
Automobile	CA	TTT5555	Acura	4 Door	Black	<input type="checkbox"/>	<input type="checkbox"/>

1 - 2 of 2 items

The below screen shot shows both registered vehicles selected.

Step 3 of 7: Add Vehicle(s)

Parking permits are tied to the license plate numbers of permit holders' vehicles. University Parking Services checks vehicles for proper permitting through license plate recognition, or LPR. The permit holder is responsible for registering any vehicle parked on campus. Unregistered vehicles parked on campus or multiple vehicles attached to one permit on campus at the same time are subject to citation. To link vehicles to your permit, add vehicles below then hold control/command key down to highlight each vehicle. Only vehicles highlighted will be linked to the permit. Non-linked vehicles will be subject to citation.
