DIVERSITY AND INCLUSION

CHAPMAN DIVERSITY PROJECT

The Chapman Diversity Project (CDP) is a volunteer-driven initiative that brings students, staff, faculty, administrators, trustees, community members and alumni together for meaningful dialogue and advocacy regarding diversity and inclusion at Chapman University. New members can join Advisory Groups or Task Forces at any time throughout the fall or spring semesters. Learn more about the initiative at chapman.edu/cdp.

CDP ADVISORY GROUPS OR TASK FORCES

Chapman University is committed to continuously seeking ways to enhance the campus climate. The Advisory Groups and Task Forces of CDP are a vital tool in these efforts, working collaboratively to further the goals of the Strategic Plan for Diversity & Inclusion.

THE CU STRATEGIC PLAN FOR DIVERSITY & INCLUSION

The CU Strategic Plan for Diversity & Inclusion is the result of a three-year effort that involved the development of the Chapman Diversity Project and participation from over 300 members of our campus community. The plan was finalized in May 2017 with support from the Board of Trustees, president, provost, deans, Faculty Senate, Student Government Association and members of CDP.

Passionate volunteers served on thirteen advisory groups and task forces, researched best practices across the country, and formulated constructive recommendations that are consolidated in this plan, which provides an inspiring pathway for Chapman's future.

THE OFFICE OF DIVERSITY & INCLUSION

Operating within the Office of the Provost, the Office of Diversity & Inclusion seeks to foster and strengthen a welcoming campus climate at Chapman University through programs, events and resources for campus community members.

The Office of Diversity & Inclusion coordinates the Chapman Diversity Project and oversees the implementation of the CU Strategic Plan for Diversity and Inclusion.
