University Supervisor Guidelines

1. Please read the Special Education Student Teaching Handbook to familiarize yourself with our program and its requirements. Also review all of the forms that are relevant to your supervision assignment.
2. Act as the liaison between your Teacher Candidate, Master Teacher, Principal, and Chapman University. This is critical to a successful placement.
3. As soon as possible after you have received your assignments, please contact the site administrators, Master Teacher, and Teacher Candidate to arrange for introductions.
4. Communicate with the Special Education Student Teacher Placement Coordinator and the Coordinator of Special Education Programs to ensure that placements are appropriate and working well for all parties.
5. Formally observe each candidate for the minimum number of required observations (generally six visitations with one initial meeting, at least six formal observations, and a final 3-way summative interview with the Teacher Candidate and the Master Teacher). Mentor and coach each candidate in the areas of need. It may be necessary and beneficial to perform additional observation than the minimum required. See appendices for observation forms.
6. Facilitate Teacher Candidate's assumption of special education responsibilities and proposed timelines. See appendices for suggested timelines.
7. Read, review, and respond to any communication from the Teacher Candidate.
8. Attend scheduled meetings and trainings of University Supervisors and Teacher Candidates.
9. If a concern arises, please inform the Special Education Student Teacher Placement Coordinator and the Coordinator of Special Education Programs.
10. Arrange for the final summative interview at the conclusion of the student teaching placement with the Teacher Candidate and the Master Teacher. Communicate with the Master Teacher before the meeting so that a draft of the final summary and TPE assessment may be prepared for signatures.
11. When the Teacher Candidate completes student teaching, submit the completed and signed paperwork to the Special Education Student Teacher Placement Coordinator. Also, submit the TPE rubric scores and Summary for each Teacher Candidate on Taskstream.
