Come Teach in the Heart of San Francisco

Thomas Edison Charter Academy (TECA) is an innovative school, focused on nurturing the intellectual, artistic, social, and emotional growth of each child. Our mission is to create lifelong learners and innovative problem-solvers. As an independent public TK-8th grade charter school bordering San Francisco’s Mission and Noe Valley neighborhoods, TECA serves a diverse population of students.

A few highlights from TECA are:
- Rigorous curriculum designed to help students prepare for the most challenging high schools and colleges
- Dedicated daily arts instruction to allow students to express their talents
- Credentialed and highly qualified teachers and intensive professional development to ensure teachers are supported and up to date on best practices
- A dual-language Spanish-English program in the elementary grades to help build bilingualism
- One to one Technology in the classrooms to allow students to research, explore, and learn 21st century skills

TECA is looking for collaborative and professional teachers to join the school.
