

Stay healthy away from home

Whether you're on the go around town or traveling across the country, take these easy steps to stay healthy.

Be prepared

- Pack for the weather. Don't forget sunglasses and a hat.
- Always bring sunscreen that's SPF 30 or higher to help [protect your skin](#).
- If you're going abroad, check [cdc.gov/travel](https://www.cdc.gov/travel) for health notices and vaccination recommendations.

Keep medications at hand

- Refill your prescriptions before long trips. Talk to your doctor if you're managing any conditions.
- Keep sunscreen in your purse, backpack, or carry-on so you can apply it every 2 hours.
- If you're leaving the country, pack any over-the-counter medications you often use.
