Cigna’s no-cost Health Information Line puts you in touch with a personal nurse advocate* via chat or phone. They’re here to answer your health questions and help you make the best choice for your needs.

Nurse advocates are available for questions like:

• I’ve had a fever for 2 days. Should I go to the emergency room?
• Is virtual care a good option for my needs?
• Is there a good orthopedic doctor in my area?
• I take a maintenance medication. How can I save on my prescription and get it delivered?

Cigna’s Health no-cost Information Line is always confidential.
