

**More than half of participants**  
have not identified a beneficiary  
for their retirement account.\*

\* Fidelity analysis of 18.9M active plan participants with a balance as of 03/01/2023.

## **What happens to your savings if something happens to you?**

Make sure you get to decide.

It's important to review and update your beneficiaries—during open enrollment, after life events, and throughout the year. Some beneficiaries set up during open enrollment may not apply to all accounts, so make sure you check!
