

Panther Analytics Student Federal Work Study reports have been migrated from Pyramid Analytics to Power BI. The four available reports include two that analyze Federal Work-Study usage (by employee and by department) and two that present student details for either the current month or the fiscal year.

Accepted Amount – Reflects data from Campus Solutions regarding the accepted FWS amount.

Total Posted – Represents FWS amounts processed through payroll.

Total Remaining – Calculated as the difference between the Total Budgeted and Total Posted amounts.

By Department – Displays all FWS Students selected within the Department Filter. Users can customize the report columns by selecting available fields.
