Making a Payment

Chapman University’s standard method of payment is electronic check through the Chapman University ePay/eBill system. Students and Panther Partner Authorized Users can view student account activity online using Chapman's ePay/eBill system. Tuition payments online can be made via eCheck through a regular checking or savings account. Credit cards are NOT accepted for tuition or fees charged to the student accounts. Chapman University does not charge a processing fee for online eCheck payments.

Online Payment Methods
