**COST & BILLING**
Students on a semester study abroad are billed Chapman tuition, (sometimes) room, (sometimes) board, and a $500 study abroad fee. For Travel Courses and international internships, participation fees vary by program and do not include Chapman tuition. Free tuition during Interterm and a One-Time Tuition Waiver for Summer may be available. Students usually are responsible for travel costs as well as personal expenses. Some programs include free airfare. Budget worksheets are available at the Center for Global Education.

**FINANCIAL AID & SCHOLARSHIPS**
Semester abroad programs fall under one of two categories of financial aid applicability:

Semester Abroad **All Current Aid Programs**: Students can utilize all financial aid, including federal (except work study), state, and institutional scholarships.

Semester Abroad **Federal and State Only Programs**: Students can apply ONLY federal (except work study) and state aid but not institutional funding.

Travel Courses and International Internships: Financial aid available on a case-by-case basis.

A list of scholarships by location, program, financial need, diversity, and other factors is available at Chapman.edu/CGEscholarships

**ACADEMICS**
Students earn Chapman credit on all programs and letter grades for most programs. For semester abroad programs, students take full-time credits. Courses are subject to credit approval from the Office of the University Registrar and academic department and are pre-approved prior to departure. GE credit approval is required by the GE committee prior to departure.
