AFFORDING STUDY ABROAD: BUDGET WORKSHEET

To determine your investment of a semester abroad, consider your budget for the items listed below. Compare the total with the amount you are currently spending on education, room, board, and other daily expenses.

This is a list of possible expenses and is not meant to be all-inclusive.

Please share this worksheet with anyone supporting you financially for your study abroad.

SEMESTER PROGRAM COSTS PAID THROUGH CHAPMAN

For Chapman sponsored semester/academic year programs, students are billed Chapman tuition, room and (sometimes) board regardless of the cost listed by the program provider. Students can then utilize federal, state, and (sometimes) Chapman financial aid toward the cost of their semester abroad. Students should verify if their program of choice is an All Current Aid program or a Federal and State Aid Only program.
