**Safety Reminders**

The University is a very safe environment and is well patrolled. However, it makes good sense to follow some basic safety tips.

- If you ever feel uncomfortable, please don’t hesitate to call Public Safety at 6763.
- When walking to the Barrera Parking Structure during the evenings, students are encouraged to walk the sidewalk on the Sycamore side of the building, instead of walking along the backside of the Bhathal Building.
- When walking to the Barrera Parking Structure during the evenings, students are encouraged to walk the sidewalk on the Sycamore side of the building, instead of walking along the backside of the Bhathal Building.
- If you see anyone in the law school building or vicinity who clearly does not belong, please report to any administrator.
- For additional Public Safety tips and services, please visit www.chapman.edu/publicsafety.

**Public Safety Rave Panther Guardian App Available**

The University now has an application for your smart phone called Rave Panther Guardian. This application allows you to do several things such as:

- Identify persons you trust as “guardians.” Thereafter, if you are going somewhere unfamiliar or at a time others are not around, etc., you set a timer and enter what you are doing, e.g., “walking to the parking structure” or “meeting with a student in the back of class.”
- For additional Public Safety tips and services, please visit www.chapman.edu/publicsafety.
my office.” If the timer is not turned off within the time you set, the guardian you pre-select is alerted and they can check up on you. If necessary, notify authorities.

- You can message your guardians and send them photos.

- Lastly, there is an “emergencies and tips” feature. This allows you to send texts directly to our campus Public Safety Office and photos can be sent to them as well. You also can call 911 from the application.

This application is available for download with Apple and Android devices. Please search for Rave Guardian. Once you have completed the registration process the application will be titled Panther Guardian. Please keep in my mind that this application is only available for use while on the Chapman University campus. In a campus emergency always dial 911 or (714) 997-6763. This Panther Guardian app may not replace the standard practice of dialing (714) 997-6763 from your cell phone (or 6763 from a campus phone) to report campus-based police, fire, suspicious circumstances, or medical emergencies to Public Safety.
