FINE/FEE SCHEDULE
Rinker Staff - will have 2 weeks past the due date of a borrowed item to return or renew without penalty.

Staff members do not incur overdue fines for items returned late. However, you will receive email notices as a reminder to return overdue items. Please return the items promptly or contact a Health Sciences Study Commons library staff member.

Upon receipt of a bill for an item, staff have 30 days to resolve the balance due by returning the item, renewing, or paying for a replacement.

Failure to resolve the balance due within the 30 day period will result in the item being assumed lost and billed for replacement and may lead to a suspension of library borrowing privileges until the matter is resolved.

The cost of a replacement will be assessed for lost/damaged books.

Replacing Billed Items
Staff may choose to replace a billed item by purchasing a replacement copy.

Staff must notify the library that they are opting to do so; in some cases purchasing a replacement copy will not be an option. The replacement copy must match the billed item's ISBN and must be in new or almost new condition.

If the purchased copy is accepted for replacement by the librarian, the replacement and billing fee will be removed.
To enjoy your Rinker Health Sciences Study Commons library privileges, here are the library's circulation services policies and procedures to inform and guide you!

Faculty member's Chapman University ID card is required in order for the library to perform any circulation transactions. The University ID may only be used by the person to whom the ID is issued and is not transferable. Faculty can also display a digital barcode using the MyLibrary! application in place of their Chapman University ID. No other form of identification will be accepted.

Report any changes of address, telephone number, and/or other information to ensure the accuracy of your library circulation record.

All library notifications are sent to your Chapman email address. You are responsible for all items checked out on your library circulation record.

An e-mail receipt will be issued at the time of checkout indicating a due date for borrowed items. Please retain email. Report any damage (torn pages, highlighting, underlining, water damage/mold, writing, etc.) to items or missing media (CD, DVD, video, etc.) at checkout.

Any outstanding overdue items will prevent you from renewing or borrowing additional items. This will also prevent you from accessing bookable rooms, interlibrary loan items, and reserves.

Returns
Return all items to the Rinker Health Sciences Study Commons library's book drop or to the Library Services Desk. Items are not considered returned until they reach their correct destination.

Please be aware of the posted library hours, changes in hours or schedule variations, which might affect being able to deposit books inside library bin.

For updates to library hours please check the hours posted at the entrance of the Health Sciences Study Commons or on the library website: www.chapman.edu/library

Renewals
Staff can renew most items in person, by accessing their library account online, utilizing the MyLibrary! application, or calling the Rinker Health Sciences Study Commons at (714) 516-5040 or emailing rinkerlib@chapman.edu.

Renewals for interlibrary loans are at the discretion of the lending institution.

Refunds
When a staff member returns an item that was paid for as lost, the staff member can be credited for the item. This can only occur if it is within 30 days of the payment date and the item is not damaged. A refund check crediting the replacement fee for the item will be mailed. After 30 days from the original payment date, the refund period is completed, and staff can no longer be credited for returning a lost & paid item.

Proxy Borrower
Staff may designate a departmental, student or graduate assistant to serve as a proxy borrower. Proxy borrowers will be authorized to conduct library business on behalf of the staff member. To complete a proxy borrower request, submit a request form to the circulation department. For more information about designating a proxy borrower, please visit the library website.

ILL Requests
