CURRICULUM VITAE

EDUCATION

PhD, Temple University, Philadelphia, PA	08/95 – 08/01
Kinesiology, Concentration in Athletic Training/Sports Medicine	
Cognate area: Anatomy and Environmental Exercise Physiology	
MEd, Temple University, Philadelphia, PA	08/92 – 08/94
Athletic Training/Sports Medicine	
NATA Approved Post-Professional Athletic Training Education Program	
BS, University of New Mexico, Albuquerque, NM	08/88 – 05/92
Athletic Training, NATA Accredited Athletic Training Education Program	

Professional Certifications

National Academy of Sports Medicine (NASM) certified personal trainer	03/15 – Present
CITI Collaborative Institutional Training Initiative Biomedical Research	06/13 – Present
National Provider Identification (NPI) #: 1093734527	07/12 – Present
American Heart Association Instructor- Basic Life Support (BLS) for Health Care Providers Instructor # 11110059717	11/12 – 11/15
Certified Strength and Conditioning Specialist (CSCS) - National Strength and Conditioning Association (NSCA), CSCS #201175520	10/12 – 11/15
NIH Protection of Human Subjects Training for IRB Members	10/12 – 11/15
Health Information Privacy and Security Training	09/11 – Present
Occupational Health and Safety Administration, Blood Borne Pathogens Training	07/11 – Present
Florida Department of Health Licensed Athletic Trainer (LAT) #AL1650	08/01 – 08/07
Perivascular Nursing Association, Phlebotomy Venipuncture Training	06/98 – 06/00
National Athletic Trainers' Association (NATA) Board of Certification, Athletic Trainer, Certified (ATC), BOC #029302428	02/93 – Present
US Department of Transportation Emergency Medical Technician Basic	05/90 – Present

EMPLOYMENT

Academic Experience

Chapman University, Orange, CA	
<i>Administrative Role:</i> Associate Dean for Graduate Programs	03/15 – Present
Associate Professor with Tenure and Research Coordinator: Masters of Science in Athletic Training	09/12 – Present
University of Hawai'i, Honolulu, HI	
Associate Professor, Department of Kinesiology & Rehabilitation Science	08/07 – 05/12
<i>Administrative Role:</i> Program Director and Clinical Coordinator Graduate Professional Athletic Training Education Program	

Florida International University, Miami, FL	
Assistant Professor, Department of Health, Physical Education, & Recreation	08/01 – 08/07
<i>Administrative Role:</i> Program Director, Graduate Post-Professional Athletic Training/Sports Medicine	
Temple University, Philadelphia, PA	
Teaching and Research Assistant, Department of Kinesiology	08/92 – 05/00

Clinical Instruction

University of Hawaii, Honolulu, HI	08/07 – 05/12
Clinical Coordinator, On- and off-campus clinical site supervision	
St. Joseph's University, Philadelphia, PA	08/94 – 05/96
Clinical Instructor, Athletic Training	
Northeastern University, Boston, MA	08/94 – 05/96
Cooperative Supervisor, Athletic Training	
Temple University, Philadelphia, PA	08/92 – 05/96
Clinical Instructor, Athletic Training	

Professional Clinical Experience

University of Hawaii, Honolulu, HI Department of Intercollegiate Athletics	08/07 – 05/12
Hydration Testing Consultant	
State of Hawaii Department of Education	08/07 – 05/12
Technical Advisor and Wrestling Weight Management program consultant	
Palm Beach Punishers, Palm Beach, FL	05/07 – 07/07
Head Athletic Trainer, Professional Women's (Tackle) Football League	
School Board of Broward County, Ft. Lauderdale, FL	08/03 – 07/07
Sports Medicine Consultant	
Florida International University, Miami, FL	08/01 – 07/07
Affiliated Athletic Trainer and Approved Clinical Instructor	
Johnson & Johnson, Inc., Albuquerque, NM	06/00 – 01/01
Assistant Director, Medical Unit	
St. Joseph's University, Philadelphia, PA	08/98 – 05/00
Assistant Athletic Trainer and Clinical Instructor	
Chester High School, Chester, PA	08/95 – 05/88
Head Athletic Trainer and Clinical Instructor	
Eastern Field Hockey Association, Pottstown, PA	06/94 and 06/95

Invited Conference Presentations, International/National/Regional/State

- Cleary MA**. Special Topics session: *Chronic traumatic encephalopathy: Long-term effects of sports-related concussion.* To be presented at the NATA Annual Meeting and Clinical Symposium, June 2016; Baltimore, MD.
- Cleary MA**. Special Topics session: *Evidence for the long-term effects of sports-related concussion.* Presented at the Far West Athletic Trainers' Association Annual Meeting and Clinical Symposium, April 2015, San Diego, CA.
- Cleary MA**. Special Topics session: *Exertional rhabdomyolysis: Considerations for the athletic trainer.* Presentation at the NATA Annual Meeting and Clinical Symposium, June 2014; Indianapolis, IN.

- Cleary MA**, Nottingham S. *Incorporating clinical outcomes in the athletic training practice*. Presented at the Special Topics session at the NATA Annual Meeting and Clinical Symposium, June 2013; Las Vegas, NV.
- Cleary MA**. *Incorporating evidence and clinical outcomes in the athletic training practice*. Workshop presented at the Far West Athletic Trainers' Association Annual Meeting and Clinical Symposium, April 2013; Sacramento, CA.
- Cleary MA**. *New standards in prevention of sudden death*. Invited presentation for the California Athletic Trainers' Association, February 2013; Pomona CA.
- Cleary MA**. *Student Leadership Conference*. Organized event for the California Athletic Trainers' Association, February 2013; Pomona CA.
- Cleary MA**, Lopez RM. *Identifying risk and preventing exertional heat illness*. Presented at the Evidence-Based Forum at the NATA Annual Meeting and Clinical Symposium, June 2012; St. Louis, MO.
- Cleary MA**. *New competencies in prevention of sudden death*. Hands-on workshop for the Hawaii Athletic Trainers' Association, May 2012; Honolulu, HI.
- Cleary MA**. *Exertional rhabdomyolysis: identification and referral- The Athletic Trainers' Perspective*. Continuing Education Lecture for the Hawaii Athletic Trainers' Association, May 2012; Honolulu, HI.
- Cleary MA**. *Exertional rhabdomyolysis: Identification and referral- The Athletic Trainers' Perspective*. General Session Presentation at the Far West Athletic Trainers' Association Annual Meeting and Clinical Symposium, April 2012; Las Vegas, NV.
- Cleary MA**. Hands-on Workshop: *In-the-field identification of exertional heat stroke and other exertional heat illnesses*. Break-out workshop at the Far West Athletic Trainers' Association Annual Meeting and Clinical Symposium, April 2011; Las Vegas, NV.
- Cleary MA**. *Optimal hydration practices during pre-season football*. University of Hawaii Athletics Department, August 2010; Honolulu, HI.
- Cleary MA**. *Assessing risk for exertional heat illness*. General Session Presentation at the Far West Athletic Trainers' Association Annual Meeting and Clinical Symposium, June 2010; Honolulu, HI.
- Cleary MA**. *Hydration and nutrition for optimal performance in warm, humid environmental conditions*. Clinical Symposium at Hawaii Preparatory Academy, May 2009; Waimea, HI.
- Cleary MA**. *Individual hydration assessment for optimal performance during pre-season football*. University of Hawaii Athletics Department, August 2009; Honolulu, HI.
- Cleary MA**. *Evolution of athletic training education: Where we have been, where we are, and where we are going*. Hawaii Athletic Trainers' Association Annual Meeting and Clinical Symposium, May 2009; Honolulu, HI.
- Cleary MA**. *Optimal hydration strategies to avoid heat illness in warm, humid conditions*. University of Hawaii Athletics Department, August 2008; Honolulu, HI.
- Cleary MA**. *Assessment of risk for exertional heat illness in Athletes*. West Virginia Athletic Trainers' Association Annual Meeting and Clinical Symposium, March 2007; Charleston, WV.
- Cleary MA**. *Exertional heat illness, particularly in adolescents*. Athletic Trainers' Association of Florida Annual Meeting and Clinical Symposium, March 2005; Orlando, FL.
- Cleary MA**. *The five "Ws" of Grant Writing*. Graduate Student Research Seminar. 2004 Southeastern Athletic Trainers' Association Conference. Atlanta, GA.
- Simo A, **Cleary MA**. *Intrusive community noises negatively impacts South Florida residents*. 2003 Annual Joan and Harry Smith Lecture Series. Florida International University, Miami, FL.
- Cleary MA**. *The FIU Graduate Sports Medicine Program*. Lecture presented at the 2003 School Board of Broward County Annual Athletic Directors meeting, Ft. Lauderdale, FL.
- Cleary MA**. *Heat illness prevention and treatment*. Lecture presented at the 2003 North Broward Hospital District Annual Sports Medicine In-service Program, Weston, FL.

Cleary MA. *Hydration and avoiding heat illness.* Lecture presented to the 2003 FIU Summer Sports Camps in collaboration with Miami Children's Hospital, National Defeat the Heat campaign, and the National S.A.F.E. Kids Campaign, Miami, FL.

Cleary MA. *Hydration and heat illness.* Lecture presented at the 2003 North Broward Hospital District Annual Sports Medicine Symposium, Ft. Lauderdale, FL.

Cleary MA. *The facts about sports injury.* Lecture presented at 2003 Miami Children's Hospital National S.A.F.E. Kids Campaign, Miami, FL.

FUNDED RESEARCH

Grants and Contracts

Cleary MA, Nottingham SL, Kasamatsu TM, Bennett JP. Using a third-party reimbursement model for estimating health care cost savings and potential revenue generation for Southern California high schools. Research and Grants committee of the Far West Athletic Trainers' Association. Funded \$2,000.

Cleary MA, Lopez RM. Cardiovascular, thermoregulatory, and perceptual responses to exercise in American football equipment during simulated football practice in the heat. 2011-2013 *The National Operating Committee on Standards for Athletic Equipment (NOCSAE) research grant.* Pre-Proposal accepted \$79,475. Not funded.

Cleary MA. Funds provided for travel to New Orleans, LA to present research at the NATA Annual Conference. 2011 *University of Hawaii Research Council,* Funded \$1,500.

Oshiro R, Murata N, Maeda J. Concussion Management Protocol for Interscholastic Student-Athletes in Hawaii High Schools. Hawaii Department of Health 2010. Approximately \$80,000 for 2011 – 2013 two full-time graduate assistant positions. Funded. Consultant.

Cleary MA, Oshiro R. Body weight and hydration status of adolescent wrestlers during a competitive high school wrestling season. 2010 *Far West Athletic Trainers Association research grant.* \$3,500. Not funded.

Cleary MA, Lopez RM, Toy M. Physiological and perceptual effects of superficial cooling during intermittent exercise and recovery in the heat. *Polar Products, Inc.,* 2010. Equipment Provided \$1,200.

Cleary MA, Lopez RM, Toy M. Physiological and perceptual effects of superficial cooling during intermittent exercise and recovery in the heat. *GlacierTek, Inc.* 2010. Equipment Provided \$1,500.

Cleary MA, & Oshiro R. Hawaii injury surveillance and outcomes project. 2009 *NATA Injury Surveillance and Outcomes Research Award,* Letter of Intent. \$323,953. Not funded.

Sutherland JJ, **Cleary MA.** Validation of the Hawai'i Anaerobic Run Test (HART) in healthy physically active people. 2008 *Far West Athletic Trainers Association research grant.* \$2,500. Not funded.

Cleary MA. Funds provided funds for research equipment purchase, graduate research assistant support, and travel for presentation of research projects. 2008 *Start-up funds. UHM College of Education Dean's Office and Vice Chancellor for Research.* Funded \$30,000.

Cleary MA. Funds provided funds for equipment purchase, graduate research assistant support, and travel for presentation of a series of research projects on: Dehydration and the effects on the physiologic response. 2007-2010 *The School Board of Broward County,* Funded \$540,000.

Cleary MA. Funds provided funds for equipment purchase, graduate research assistant support, and travel for presentation of a series of research projects on: Dehydration and the effects on the physiologic response. 2007-2010 *Private Schools in Miami Dade and Broward County,* Funded \$75,000.

Cleary MA. Funds provided for travel to Lexington, KY to participate in the NIH-GMS grant writing workshop. 2007 *National Institutes of Health General Medical Sciences,*

Funded \$1,500.

Emerson C, Minton D, **Cleary MA**, Eberman LE. Effects of hypohydration, hyperthermia, fatigue, and electrolyte depletion on exercise-associated muscle cramping. 2006 *NATA Research and Education Foundation Osternig Masters Award*,
Funded \$1,000.

Cleary MA, Eberman LE, Moseley BJ. Validation of a heat illness risk assessment instrument and incidents of exertional heat illness in American football players in the southeastern US. 2006 *Southeastern Athletic Trainers' Association Research and Education Committee Grant*,
Funded \$1,500.

Cleary MA. Funds provided funds for research equipment purchase, graduate research assistant support, travel for presentation and dissemination of research projects. 2006-2008 *Graduate Research Assistant Support*,
Funded \$200,000.

Cleary MA. Funds provided funds for equipment purchase, graduate research assistant support, and travel for presentation of a series of research projects on: Dehydration and the effects on the physiologic response. 2004-2007 *The School Board of Broward County*,
Funded \$384,000.

Cleary MA. Funds provided funds for research equipment purchase, graduate research assistant support, travel for presentation and dissemination of research projects. 2004-2006 *Graduate Research Assistant Support*,
Funded \$134,000.

Cleary MA. Funds provided for travel to Atlanta, GA as member of the NATA Post-Professional Review Committee. 2003-2008 *NATA*, Funded \$1,200 annually.

Stubblefield Z, Eberman LE, **Cleary MA**. Effect of acute, active hyperthermia on cognitive performance in collegiate football players. 2005 *Southeastern Athletic Trainers' Association Research and Education Foundation*, \$1,500. Not funded.

Eberman LE, **Cleary MA**. Effect of exercise intensity on hyperthermia, dehydration, and heat acclimation in adolescent American football players. 2005 *NATA Research and Education Foundation*, \$1,500. Not funded.

Eberman LE, **Cleary MA**, Butcher-Mohka M, Lopez R. Deficits in postural stability and control resulting from dehydration. 2004 *National Athletic Trainers' Association Research and Education Foundation*, \$1,500. Not funded.

Cleary MA. Grant for summer funding of research project on: Effect of active dehydration and mild hyperthermia on cognitive performance in healthy, physically active males. *Florida International University Foundation Summer 2004 Research Mini-Research Competition Grant*, Funded, \$5,000.

Cleary MA, Sandler D. Grant provided funds for equipment purchase and travel for presentation of project on: Postural stability is negatively affected by active dehydration and mild hyperthermia. *Florida International University College of Education Dean's Grant Spring 2004*, Funded \$5,000.

Cleary MA, Moseley BJ. Grant provided funds for equipment purchase and to travel to present and publish research on: Effects of active dehydration on cognitive function in healthy, physically active males. *Florida International University College of Education Dean's Grant Fall 2003*, Funded \$5,000.

Cleary MA, Sandler D, Lopez, R. Grant provided funds for equipment purchase and to travel to present and publish research on: Repeated environmental and exercise stress and the effects on measures of fluid/electrolyte balance, hydration, and performance in physically active males. *Florida International University College of Education Dean's Grant Spring 2003*, Funded \$5,000.

Cleary MA. Provided equipment and supplies for the safety of research subjects in heat and hydration studies conducted in the FIU Sports Sciences Research Laboratory. *ClimaTech Safety, Inc.* 2003, Funded \$630.00.

- Cleary MA.** Funds provided funds for community outreach, research equipment purchase, graduate research assistant support, and travel for presentation of a series of research projects. 2003 *The School Board of Broward County Grant*, Funded \$96,000.
- Cleary MA.** Funds procured for equipment purchase, graduate research assistant support, travel for presentation research projects. 2003 *Graduate Research Assistant Support*, Funded \$64,500.
- Cleary MA.** Funds provided for travel to Atlanta, GA as NATA representative and to contribute to the Inter-Association Task Force on Exertional Heat Illness. 2003 *National Athletic Trainers' Association*, Funded \$1,200.
- Cleary MA.** Effect of beverage type on the temporal pattern of voluntary chronic dehydration in children. 2002 *National Athletic Trainers' Association Research and Education Foundation Grant*, Pre-proposal accepted \$40,000.
- Cleary MA, Sandler D, Lopez R.** Grant provided funds for equipment purchase and to conduct research project on: Effect of voluntary carbohydrate/electrolyte enriched fluid intake on dehydration in males performing repeated bouts of strenuous exercise. *Florida International University College of Education Dean's Grant Fall 2002*, Funded \$5,000.
- Cleary MA.** Grant provided funds for equipment purchase, graduate research assistant support, and travel for presentation of research project on: Effect of voluntary carbohydrate/ electrolyte fluid intake on rehydration in children during strenuous exercise. *Florida International University Office of the Provost Summer 2002 Research Competition Grant*, Funded \$5,000.
- Cleary MA.** Funds provided funds for research equipment purchase, graduate research assistant support, and travel for presentation of research projects. 2002 *Graduate Research Assistant Support*. Funded \$56,500.

PROFESSIONAL HONORS, PRIZES, AND AWARDS

- 2015 Personal Education Plan for Graduate Teaching and Research Mentoring in Clinical Decision-Making in Athletic Training. Chapman University Faculty Research and Development Council. Funded \$3,668.
- 2014 Faculty Excellence in Scholarly and Creative Activity Award. Awarded \$500 from Chapman University Faculty Research and Development Council.
- 2014 Personal Education Plan for Graduate Teaching and Research Mentoring in Clinical Decision-Making in Athletic Training. Chapman University Faculty Research and Development Council. Funded \$2,509.
- 2013 NATA District 8 Outstanding Research Presentation Award, 1st Runner-Up for Cleary MA, Nottingham SL, Kasamatsu TM, Bennett JP: *Views and practices of athletic trainers on NATA standards of care before and after a continuing medical education workshop*. Poster presented at the Far West Athletic Trainers' Association Conference. April 2013; Sacramento, CA. Awarded \$150 (donated to the Chapman AT Student Society).
- 2009 Doctoral Research Faculty, University of Hawaii Graduate Division
Professional Honor: Recognized by peers for mentoring graduate student research.
- 2009 Graduate Research Faculty, University of Hawaii Graduate Division
Professional Honor: Recognized by peers for research publications, presentations, and for successful graduate-level teaching.
- 2006 Graduate Mentorship Award (Nomination), FIU College of Education
Professional Honor: Nominated by peers for service to the College
- 2006 Builder Award, FIU College of Education
Professional Honor and Award: Recognized by peers for service to the College. Awarded gift and \$750.00 for faculty development.
- 2005– 2007 Dissertation Advisor Status, FIU University Graduate School
Professional Honor: Recognized by peers for mentoring student research projects.
- 2004– 2007 Graduate Research Faculty, FIU University Graduate School
Professional Honor: Recognized by peers for research publications, presentations, and for successful graduate-level teaching.
- 2004– 2007 Affiliated Research Faculty, FIU University Graduate School
Professional Honor: Approved to mentor and supervise doctoral student research in the FIU Department of Curriculum and Instruction.
- 1997– 1999 Graduate Assistantship, Temple University, Philadelphia, PA
Honor and Award: Instructor and Research Assistant for Department of Kinesiology. Awarded full out-of-state tuition waiver and stipend, approximately \$46,000 total.
- 1997 –1998 Graduate Council, Temple University, Philadelphia, PA
- 1998 College of Education: HPER Graduate Student Representative.
Honor: Selected by faculty to represent department in annual appointment.
- 1992-1997 Graduate Assistantship, Temple University, Philadelphia, PA
Honor and Award: Outreach Certified Athletic Trainer for Graduate Athletic Training/Sports Medicine Program.
Awarded full out-of-state tuition waiver and stipend, approximately \$105,000 total.
- 1991 and 1992 Outstanding Student Athletic Trainer
New Mexico Athletic Trainers' Association
Honor and Award: Selected twice for \$100.00 annual award.
- 1990-1991 Vice President, University of New Mexico, Albuquerque, NM
Student Athletic Trainer Association
Honor and Award: Elected by peers to serve student association.
- 1988-1992 Athletic Training Scholarship, University of New Mexico Albuquerque, NM
Honor and Award: Selected four times for annual award.
Awarded full tuition waiver and book award. Approximately \$8,000 total.
