SPECIAL SKILLS/PROJECTS:

Curriculum Design

- Curriculum design: Designed and authored the curriculum for the Rancho Los Amigos/USC Geriatrics Post Graduate Physician Assistant Fellowship, Downey, CA.
- Curriculum design experience includes the design and establishment of the San Bernardino County Medical Center Post-Graduate Program for Physician Assistants in Orthopedic Surgery, established 1994. This program provides didactic and clinical experience for Physician Assistants who wish to further their careers in the field of Orthopedic Surgery. This program is part of the Association of Postgraduate Physician Assistant Programs (APPAP).
- Design and implementation of an online Master of Science in Health Sciences, Licensed Physician Assistant Track (MSHS-LPAT) program, designed and implemented 2001. Now part of MS Program, Western University of Health Sciences, Pomona, CA.
