Academic Appointments

Chapman University, Professor, Crean College of Health and Behavioral Sciences, Marriage and Family Therapy Program & Department of Psychology

Orange, CA August 2003 – present

- Conduct and publish interdisciplinary scholarly research related to coping with infertility, fertility counseling, & fertility awareness
- Joint appointment Marriage and Family Therapy & Psychology
- Teach graduate and undergraduate courses
- Courses taught:
 - PSY 101 Introduction to Psychology
 - PSY 355 Diversity in Marriage and Family Relationships
 - MFT 556 Marriage and Family Therapy Theories
 - MFT 561 Couple Therapy
 - MFT 610 Family Life Cycle and Aging
 - MFT 694 Clinical Supervision
- Average undergraduate teaching evaluation 2009-2016 (1-5 scale): 4.7
- Average graduate teaching evaluation 2009-2017 (1-5 scale): 4.7

Chapman University, Director, Marriage and Family Therapy Program Crean College of Health and Behavioral Sciences

Orange, CA August 2003 – May 31, 2016

- Directed the overall operation of the MFT graduate program
- Oversaw COAMFTE national accreditation
- Coordinated program curriculum
- Developed and implement graduate program policies
- Reviewed faculty & chaired faculty meetings
- Oversaw graduate student recruitment and admissions
- Coordinated comprehensive examination
- Planned annual course schedules
- Oversaw MFT Program budget
- Hired adjunct faculty and clinical supervisors
- Supervised graduate program manager

Education

Ph.D., Human Development, Virginia Tech, Blacksburg, VA, May 2003

- Dissertation defended, August 2002. Title: Examining the individual and dyadic coping processes of infertile men and women and their relationship to infertility stress, marital adjustment, and depression
- Interests: Infertility, family relationships, family therapy, clinical supervision

M.S., Human Development, Virginia Tech, Falls Church, VA, December 2001

- Thesis defended, August 2000. Title: Examining congruence between couples' perceived infertility-related stress and its relationship to depression and marital adjustment in infertile men and women
- Cumulative GPA: 3.92

B.S., Psychology, Brigham Young University, Provo, UT, April 1995

- Cumulative GPA: 3.80
- Business Management minor

Work Experience

American Psychiatric Association, Staff Liaison to the Board of Trustees, Washington, D.C., June 1998 to August 2000

- Worked directly with the APA's President and Medical Director to organize and carryout quarterly APA Board of Trustees meetings
- Reported Board policy decisions to APA staff on topics such as the annual budget, APA's relationship with managed care, and membership and recruitment efforts
- Liaison between Board members and staff to ensure timely dissemination of action items and policy decisions

American Psychiatric Association, Practice Research Network Coordinator, Washington, D.C., June 1995 to June 1998

- Coordinated the 1996 and 1998 *National Survey of Psychiatric Practice* including sampling, survey design, study implementation, and analysis
- Published study findings in multiple journals
- Oversaw instrumentation design
- Managed survey data collection to ensure high response rates
- Managed database development and coordinated flow of information

Teaching Experience

Marshall University Graduate College, Summer Faculty, Counseling Department, South Charleston, WV, May 2002 to 2003

- Developed class syllabus, teaching plans, and presentation topics for 16 graduate counseling students studying Adult and Family Development and Transition
- Graded written assignments and provided feedback and consultation to students regarding clinical interventions that facilitate family development during transitions
- Monitored students' long distance learning between classes through internet discussions

Virginia Tech, Instructor, Department of Human Development, Blacksburg, VA, September 2001 to May 2002

- Developed syllabus, policies, procedures and teaching plans for undergraduate class titled 'Family Relationships' for approximately 200 undergraduate students
- Presented lecture material and moderated class discussion
- Graded class reaction papers examining topics including historical changes in the family, adoption, parent-child relationships, marriage, divorce, and remarriage

Clinical Experience

Marriage and Family Therapist, Orange, CA, October 2005 – Present

- Specialize in treating infertility stress, marital and couple distress, and anxiety.
- Treat depression, grief & loss, parenting stress, and adjustment to life stressors

Outpatient Counselor, Chapman University Student Psychological and Counseling Services (SPCS), Orange, CA, September 2003 – September 2004

- Conducted outpatient counseling with Chapman undergraduate and graduate students dealing with depression, anxiety, adjustment, & school-related stress

Doctoral Intern, New River Valley Community Services, Blacksburg, VA, Aug 2002-2003

- Conducted outpatient therapy with children and adolescents dealing with depression, anxiety, oppositional defiance, divorce, and foster care
- Provided school-based outpatient services for at-risk high school students
- Conducted in-home family therapy with adolescents and parents
