- 2013-Present Patient Safety Foundation Planning committee- #0x2020 (Jim Bialik President, Joe Kiani founder)
- 2014-Present Advisory Board, Surveyor Health Corporation, Linda and Eric Von Schweber – Medication Risk Management Software Company
- 2012 Planning Committee - URI College of Pharmacy - Symposium
Organizing Committee & Host, URI College of Pharmacy, "Frontiers in Pharmaceutical Sciences: Global Perspectives (FPS-GP1)" International Conference September 28 - October 1
- 2012-Present
Advisory Board Member – Alliance for Safe Biologic Medicines. Hosted December 12, 2012 ASBM Forum on Safe Biologics at the URI College of Pharmacy to inform students, faculty and other policy and professional attendees about the issue ad to advocate for better inter professional communication focused on patient safety.
- February 4-7, 2011**
Plenary Speaker - "Single Use biopharmaceutical production technology - Green, efficient and sustainable manufacturing" 15th International Conference Bridging Gaps in Discovery and Development: Chemical & Biological Sciences for Affordable Health, Wellness & Sustainability, Saurashtra University, Rajkot (Gujarat) INDIA
- February 2011**
Presenter & Leader (URI College of Pharmacy, Collaboration/Exchange Development Tour):
Delhi Public School, Dehli, INDIA, Birla Institute of Technology and Science, (BITS), Pilani, INDIA, United Arab Emirates University College of Medicine and Health Science, Al Ayn, UAE, The Karachi Institute of Biotechnology & Genetic Engineering (KIBGE), University of Karachi, Karachi, PAKISTAN
- 2011- Present: Advisory Board Member – FSASore.com
- 2010- Present: Advisor – Care Kinesis Inc., NiaRx Teaching EHR Software Development
- May 2010**
Dean Facilitator, Group 4, 7th Cohort, American Association of Colleges of Pharmacy, Academic Leadership Fellows Program
- September 2009**
Dean Mentor, American Association of Colleges of Pharmacy, Academic Leadership Fellows Program

June 2009

Executive Committee Brown, Lifespan, URI, Clinical Translational Science Award grant submission

March 2009

Board of Directors – Rhode Island Free Clinic
Finance Committee Member

October 2005

Contributor – Center for Health Transformation – “Accelerating Transformation through Health Information Technology” – October Conference Released November 2005

October 2005

Session Moderator and Speaker – “Getting information to Clinicians at the Point of Care – The Digital Health Ecosystem” – AMCP Educational Conference Nashville

November 1999

Eugene D. White Distinguished Lecture Series, Keynote “Opportunity 2000 – Maximizing the Value of Drug Therapy” – Shenandoah University College of Pharmacy

May 1998

Commencement Speaker – University of Rhode Island – College of Pharmacy
“A Generation is Waiting”

March 1998

Speaker – APhA Annual Meeting Banquet – Presidential Installation – “Compassionate Alliances – CARING in the Next Millennium”

February 1996

Speaker Massachusetts Pharmacists Association Mid Winter Meeting “ORDUR Dealing With Inclement Weather on the Information Superhighway”

November 1995

Speaker National Association of Boards of Pharmacy, American Association of Colleges of Pharmacy, Region Four, Annual Meeting Evolving Technologies and Pharmacy Practice Are They Compatible? Presented lecture entitled: Technologies Currently Impacting on the Practice of Pharmacy, Changing Pharmacy Information Systems, Hyatt Regency Cincinnati.

September 1995

Speaker -University of the Pacific San Diego Hospital Pharmacists Association presented four hour work shop - “Measuring Patient Outcomes -An Opportunity and Challenge of Pharmaceutical Care” Veterans Administration Hospital, San Diego.

July 1995

Key Note Address Rhode Island Pharmaceutical Association Annual Meeting entitled “A Contract with the Profession” Seacrest Hotel, N. Falmouth, MA

February 1995

Speaker California Pharmacists Association 1995 Annual Meeting “Pharmacy 95 A new Line of Work” Fess Parker Red Lion Resort, Santa Barbara, CA, Presented lecture: Evaluating Pharmaceutical Care Alliance Opportunities

January 1995

Speaker Iowa Pharmacists Association Mid Winter Meeting -Presented lecture: Evolving Pharmaceutical Care Information Technologies, Holiday Inn University Park, DesMoines, IA.

October 1994

Speaker Miami Area Hospital Pharmacists Association , two hour workshop: Measuring Patient Outcomes -An Opportunity and Challenge of Pharmaceutical Care, Miami Airport Marriott.

February 1994

Speaker, NCPDP Annual Meeting, Presented lecture: Update on ANSI ASC-X12 NCPDP Cooperative Efforts and Alignment Planning Discussions

October 1992

Speaker NCPDP Board of Trustees "Executive Briefing" for US Government Officials and Pharmacy Trade Association Executives Bethesda, MD, Conducted briefing entitled: EDI Standardization and Its Impact on the Prescription Drug Industry

October 1992

Speaker Western Medicaid Pharmacy Administrators (WMPAA) Annual Meeting, Sun Valley, Idaho Presentation entitled: NCPDP Standards & OBRA-90

April 1992

Speaker Society of Actuaries Meeting 1992 Annual, Las Vegas, NV, Presentation entitled: The Future of Prescription Drug Programs, Workshop presentation with Richard A. Kipp, FSA Milliman & Robertson

March 1991

Speaker Blue Cross & Blue Shield 1991 National Provider Automation Conference Phoenix, AZ Presented National Council of Prescription Drug Program Perspective on Pharmacy Provider Automation and NCPDP Version 1.0 & 3.1 Telecommunication Standards

November 1990

Speaker National Pharmaceutical Council Health Programs Committee Meeting Washington DC Presented lecture entitled: DUR Public and Private How Does Industry Play the Game

September 1989

Speaker: North East Medicaid Pharmacy Administrators Conference (Portland, ME) presented: Capitated Reimbursement of Drug Benefits, and led discussion of MCCA of 1988 Prescription Drug Program issues and the progress of the U.S. Congress OTA Panel on Alternative Payment Methods

November, 1987

Speaker "National Preferred Provider Conference" a Blue Cross Blue Shield Association national marketing conference for marketing and product development plan executives (San Francisco, California). Presented a lecture entitled "Capitation Payment in Delivery of Pharmaceutical Benefits"

November 1986

Speaker: Pharmacy Challenges in a Changing Health Marketplace, a Samford University (Searle Pharmaceutical) continuing education conference (AL). Presented lecture entitled: Capitation Payment of Pharmacy Services

June 1983

Guest Expert WEAN "Speak Out" and WADK "Public Opinion" radio programs. Both programs were 90 minute listener call in programs in which the topic of discussion centered on rational drug use, preventing adverse drug reactions, and use of the Blue Cross & Blue Shield "Good Health Checkbook" to improve drug therapy.

October 1982

Guest Expert WPRI-TV-12 Program, "Front and Center," a seven minute interview on the subject of over-the-counter drug tampering, what was being done, what consumers could expect. Reporter Hank Bouchard

August 1982

Guest Expert WJAR-TV-10 Program, "These are the Days," a one half hour interview/audience participation, public affairs program for senior citizens. Topic for this program aired twice in August, "Drug Misuse Among the Elderly." Host Sarah Wye

February 1980

Speaker Rhode Island Health Care Association, R.I. Department of Health Division of Licensure & Construction Seminar, "The Consultant Pharmacist's Role in Drug Regimen Review in Long Term Care."

December 1979

Speaker: State of Rhode Island Department of Mental Health Retardation & Hospitals, Division of Substance Abuse seminar: Substance Abuse in Rhode Island, Spanning all the Gaps

February 1979

Expert Witness for the R.I. Senate Special Legislative Commission charged: To investigate and study the preparing, dispensing, and administration of drugs in Rhode Island State Institutions, Testimony prepared and presented at the request of and on behalf of the Rhode Island Association of Retarded Citizens."

GRADUATE RESEARCH:

Industry Sponsored Research

1979 Co-Investigator

Powder Flow Studies with Dynamic Floweters, on a new direct compression tablet matrix.

1979 Primary Investigator

Under a grant from a major balance manufacturer, conducted research concerning the design and application of a new electronic balance, Dynamic Floweter.

1978 Project Director

Designed and coordinated an interdepartmental research effort involving a rat feeding study and post study anatomical evaluation to obtain data for federal G.R.A.S. approval of a new tablet disintegrant.

1977 Researcher

Comparison of two tablet disintegrants in Wet Granulation, Pre-compression, and Direct Compression tablet formulations

Masters Research

- 1) Rational approach to the formulation of a problem drug into a solid dose form.
- 2) Flow studies on various pharmaceutical powders through the use of Dynamic Floweters. (Cooperative effort with Dr. Garnet Peck, Purdue University School of Pharmacal Sciences)

Doctoral Research

Effects on in-process and formulation variables on the content uniformity of tablets, with particular emphasis on the development of production validation procedures for industry.

RESEARCH PRESENTATIONS:

April 1979

American Pharmaceutical Association Annual Convention, Anaheim, California Academy of Pharmaceutical Sciences Industrial Pharmaceutical Technology Section Poster Session "Factors affecting the formulation of a Low Dose Drug into a Direct Compression Tablet."

May 1978

American Pharmaceutical Association Annual Convention, Montreal, Canada, Academy of Pharmaceutical Sciences Industrial Pharmaceutical Technology Section Poster Session "A Critical Evaluation of the Use of Dynamic Flow Techniques for the Investigation of the Rheological Properties of Pharmaceutical Powders."
