For budgeting purposes, Principal Investigators should assume a 3-5% increase on June 1 for each fiscal year starting FY26-27.

*Current projected values for FY25-26, will be reviewed annually and updated accordingly.

**All services are charged per hour, with a minimum 15-minute charge. Special services are those that can be performed by the Lab Animal Care Technician; Technical Services are those that require more expertise and involve the Vivarium Manager; also applicable to species or colonies that have strict PI oversight (e.g. aviary, zebrafish) if assistance is requested
