

SURF MENTOR SUPPORT FORM

Faculty _____

Student _____

Complete this form in support of your student's application to the SURF program by responding to the three questions below.
Each response is limited to 1,600 characters (approximately 300 words).

Question 1

Explain why the student is a strong candidate for selection as a SURF fellow.

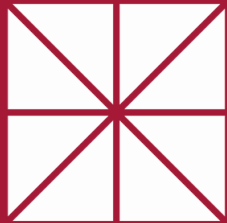

- Describe your experience with the student. If your interactions have been limited, describe how your initial observations support your assessment of the student's readiness for SURF.
- Explain how these experiences or observations shape your interest in and commitment to supporting the student in SURF.

Question 2

Address the following:

- the value and significance of the project within its field or community, and
- the specific roles and responsibilities the student will undertake during SURF.

SURF MENTOR SUPPORT FORM

Question 3

Briefly describe your mentoring plan tailored to this student. Explain how you will support and guide the student throughout the summer, including how you will

- foster skill development
- ensure progress toward project goals
- encourage reflective learning.

Question 4 - If applicable

If off-campus fieldwork is involved, the faculty mentor should address its role in the project and confirm that the student has access to the location and support for travel to/from the location.
