External Fellowships and Scholarships

If you are graduating in 2022, now is the time to start thinking about your post-graduation plans. Most of these competitive scholarships and fellowships are due a year in advance and require considerable time to prepare a compelling application. Below are some of the opportunities available. For more information please make an appointment with Dr. Julye Bidmead.

**Fulbright US Student Program** - Funds 1 year of research, graduate school, or teaching English Abroad. Open to all disciplines.

**Marshall Scholarship** - Funds 1-2 years graduate study at any UK University. Open to all disciplines.

**Mitchell Scholarship** - Funds graduate study at any university in Ireland or Northern Ireland

**Rhodes Scholarship** - Funds graduate study at Oxford University. Open to all disciplines.

**Gates Cambridge** - Funds graduate study at Cambridge University. Open to all disciplines.
**Knight Hennessy Scholarship** - Funds graduate study at Stanford University. Open to all disciplines.

**National Science Foundation Graduate Fellowship** - Funds up to 3 years of graduate study in STEM fields.
