Devoted

Aeryn McCallie, Grade 9
Sentinel High School, Missoula, MT
Teacher: Tammi Allison
Tesmony: Sally Roisman

“Devoted” revolves around Sally Roisman (Zielinska): a woman and a hero. Sally’s life spiraled out of her control during the Holocaust. While in the camps, Sally sometimes received postcards from her brother written in coded German which she would hide as treasures in her shoes. She also knitted yarn from a crocheted dress to create a beautiful sweater for one of the officers who was kind to her. After all Sally faced, she possessed the eyes of a determined survivor while still allowing herself to smile. Love for her family drove her life. For this she will always be an inspiration for those seeking hope in difficult times
