

It is Worthwhile Surviving

Dumitriu Miruna-Maria, Grade 10

Saint Sava National College, Bucharest, Romania

Teacher: Denis Radu

Survivor: Henry Nusbaum

We are currently experiencing some hard times, but with support from our friends and families we can make it through. I chose Henry Nusbaum's words because he reminds us that something beautiful is waiting for us. Surviving the nightmare of the Holocaust made him realize that the effort to stay strong was worth it, and he advises us to also stay strong. In this video, I tried to help him send this message to others.
