When you're being pushed to your limits  
Remember me

Laying bricks, building camps, barely breathing

When you feel like giving in  
Remember me

In the cellar, in the shipyard, in the dark

When you have lost all faith  
Remember me

Dreaming, waiting, hoping

When you don't know where you're going  
Remember us

Transported like cargo

When you think nobody cares  
Remember us

Treated like a disease

When you can't tell day from night  
Remember us

Waiting for the light

When you see history repeating  
When you blame others  
When you might turn your face

Remember our message  
Remember us
