WE ARE A MULTIDISCIPLINARY PROGRAM

WE OFFER:
- Work/Meeting space
- Seminar series
- Social events
- Real experience
- Networking Opportunities
- Access to 200+ experienced mentors such as: inventors, entrepreneurs, inventors, corp. execs, lawyers, accountants, marketers, developers, etc.

WHAT IS THE PROGRAM ALL ABOUT?
The eVillage Student Incubator is a multidisciplinary program devoted to fostering new business ideas by offering education, facilities, and resources primarily in the form of mentorship to help our Chapman students and alumni achieve success in their new ventures! We support everything from lifestyle to high tech start-up businesses! New and reapplying applicants are considered at the beginning of the spring, summer and fall semesters.

Following the screening process the team will be introduced to the program at varying degrees of orientation based on their needs as well as level of previous involvement and entrepreneurial education. Teams are paired with Lead Mentors that offer semester-long direction, referrals to our extensive entrepreneurial network, and progress review to help them realize and achieve their plan of action!
HOW DO I GET INVOLVED AND APPLY?

1. INFORMATION SESSION
   Wednesday February 5th
   “SPECIAL INCUBATOR INFORMATION SESSION 6PM-8PM”
   
   eVillage (344 N Glasssell, Orange, Ca)
   Outdoor Event with a tour of the facility
   Food & Beverages will be provided

2. APPLY
   The links below will direct you to the required documents, application and business model canvas. All required application documents must be filled out, attached to the online “incubator application” and submitted by Friday February 7th at 10AM.
   
   Required Application Documents
   • Incubator Application
   • Business Model Canvas
   • Resume from all team members
   • Company Logo (if you have one)

5. WELCOME RECEPTION - “MEET YOUR MENTORS”
(MANDATORY FOR ALL ACCEPTED TEAMS AND TEAM MEMBERS)
This will be a fantastic evening event to welcome all of the admitted teams into the student incubator. The main purpose of this event will be to introduce the teams to each other and most importantly to the wealth of resources they will have access to in the form of mentors while in the program.
   
   Wednesday, February 26th 6PM-9PM
   Location: TBD
   Heavy Hors D’oeuvres
   Business Attire
