

BS Health Sciences to MS Food Science

This program guarantees excellent Health Sciences students a seat in Chapman University's Master of Science in Food Science. Early, guaranteed admission is a simple three-step process. The GRE requirement is waived for Chapman students.

By spring semester of the junior year, students seeking early, guaranteed admission must:

1. Complete (or be enrolled) in the following courses and adhere to the criteria associated with the courses: CHEM 140, CHEM 150, CHEM 230, BCHM 335, BIO 417, FSN 200, and PSY 203 (or MATH 203)
 - a) These courses must be taken at Chapman University
 - b) They may only be taken once
 - c) They must be taken for a letter grade
 - d) They must be completed by the end of spring semester junior year
2. Have an accumulated GPA > 3.0 for the courses listed above, and an overall cumulative GPA > 3.0 .

STEP ONE: Declare the Health Science major with Food Science area of study by the end of sophomore year with the Office of the Registrar.

STEP TWO: Review and Plan

Before October 1 of the junior year, the student seeking guaranteed early admission must schedule an interview with Program Director Dr. Anuradha Prakash (prakash@chapman.edu) to review requirements and establish a plan to obtain early, guaranteed admission.

STEP THREE: Apply:

1. Complete B.S. Health Science degree with a cumulative GPA ≥ 3.00 . The degree may be completed during the any term of the senior year and must be verified by the Office of the Registrar.
2. Apply to the Food Science program during the first term of senior year.
3. Submit a deposit.
