

Academic Advising Center – Logging into Zoom with CU credentials for the first time

Please read the following carefully as it is important to use the correct Zoom settings to join the session.

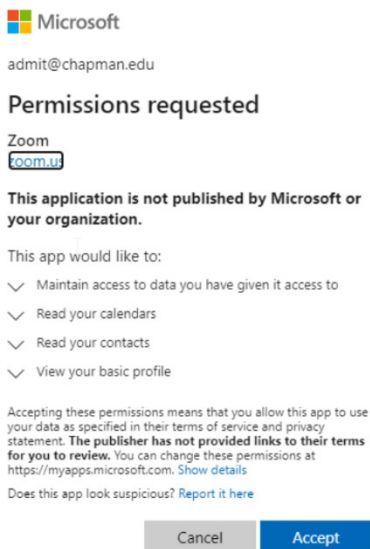

Step 1: Go to <https://chapman.zoom.us>

Step 2: Use Chapman email and password to sign in

Step 3: Accept Permission requested

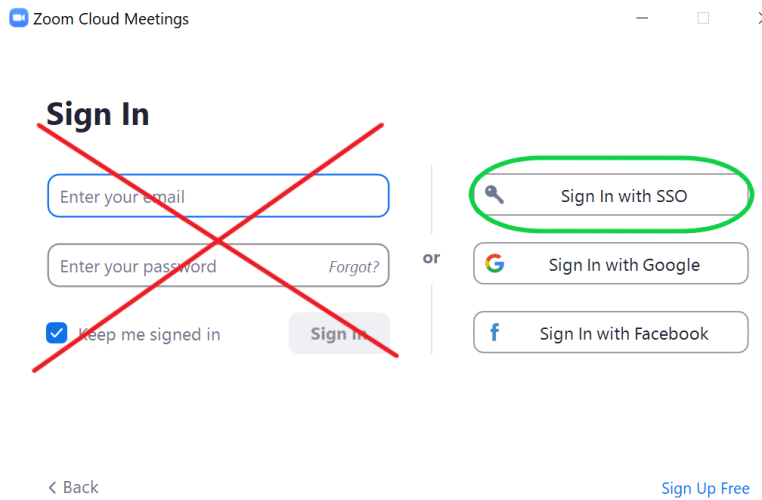

Step 4: You've signed in successfully! You should be able to join Zoom meetings with your Chapman Zoom account now.

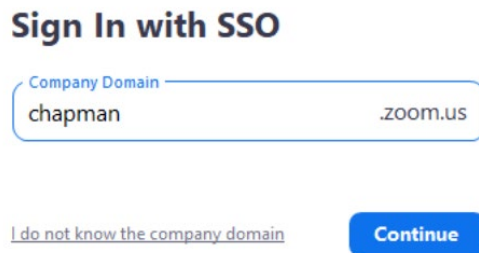

How to Join Zoom Session

Please note that the sessions are open to Chapman students only. It is **highly recommended** to download the Zoom app before the session. You will have the option to join via an internet browser if needed, but not all options may be available.

If you are using the Zoom app, log in with your Chapman email and password **using SSO**:

- Company domain: chapman.zoom.us

If you plan to use the web version, be sure you are logged in with your Chapman email and password at **chapman.zoom.us**

You can join the session by clicking the meeting link provided or copying the meeting ID and pasting to Zoom.

****If you are still encountering technical issues to join, please contact IS&T Service Desk (servicedesk@chapman.edu) for assistance.**
