

PHILOSOPHY MAJOR – WORK SHEET

The worksheet below may be useful in planning your philosophy major. Keep in mind the following general points:

- The major requires 10 courses total;
- At least 7 courses must be upper division (300-400); (that means take no more than 3 lower-division courses, numbered 100-200);
- Phil 101 Intro to Philosophy is *not* a prerequisite for other philosophy courses.
- courses may be taken in any sequence;
- All courses in the major must be taken for a letter grade and passed with a "C" or higher.

*NOTE: If considering law school, taking PHIL300 Symbolic Logic before the LSAT is highly recommended.

**NOTE: If Phil 398 Jr/Sr Seminar is repeated for credit, one will count as a core requirement. The other Phil 398 may then be counted as a philosophy elective or—if appropriate and if approved by the chair—the other Phil 398 may be counted as either ethics or metaphysics/epistemology.

Note: If you are DOUBLE MAJORING in another discipline, it does not matter if the other major is a B.A., B.S., B.F.A, B.M., or any other degree.
