**Spring**
Bio 205/205L or Bio 208/208L
Chem 150/150L
Math 111

_Sophomore:_

**Fall**
Physics 107/107L
HSK/Bio 210/210L
Psy 101

**Interterm**

**Spring**
Physics 108/108L
HSK/Bio 365 or 366/366L
Soc 101

_Junior:_

**Fall**
HSK/Bio 365 or 366/366L
Soc 385
HSK Elective

**Interterm**

**Spring**
HSK Elective
Psy 436
Math 203 or Psy 203

_Senior:_

**Fall**
HSK Required Elective*
HSK Elective

**Interterm**

**Spring**
HSK 492
HSK Elective

Note:
The Health Science (HSK) electives are dependent upon the “Area of Study” for a given Health Care Profession (e.g. Physician’s Assistant).

HSK Required Elective* can be fulfilled with one of the following courses:
- HSK 310 – International Approaches to Health (offered every Fall semester)
- HSK 320 – Health & Spirituality (offer only in the Interterm)
- HSK 370 – Health Planning (offered Fall semester, even years)
- HSK 385 – Health & Aging (offered Fall semester, odd years)
