- **Use Adobe Acrobat.** Other applications may print an incomplete form. *Select your correct catalog year.*
- **Every addition of a major requires the signature of the department chair.** Forms submitted without required signatures will be returned to the student. Minors requiring a signature are specified in the drop down menu with an asterisk (\*). Signatures are not required for a change in emphasis or area of study within a major (except IES, PCST) or for dropping a program (with the exception of University Honors).
- Enter your name, ID number, and select every major or minor you wish to add or remove from your official program using the **drop down menus** below. Drop down menus must be utilized.
- Completed forms can be submitted in person or emailed to [aps@chapman.edu](mailto:aps@chapman.edu) via Panthermail.
- Forms are not processed during the registration periods in November and April of each year.
- *To request to move forward catalog years for all requirements, please email [aps@chapman.edu](mailto:aps@chapman.edu) with the desired catalog year. Changing catalog years updates all requirements including major, minor, and GE.*
