

Undergraduate Reference Guide for Program Evaluation

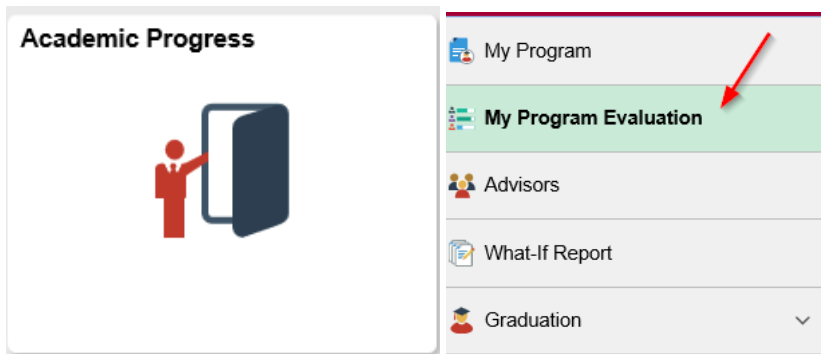

STUDENTCENTER.CHAPMAN.EDU

What is a program evaluation?

- Displays information on a student’s degree progress towards their graduation requirements
- Displays the student’s major(s), minor(s), themed inquiry, catalog year, expected graduation term, advisor, and graduation application status
- **It is the responsibility of each student to refer to the Program Evaluation to check which requirements still need to be completed**

Where to find your program evaluation:

Click on the ‘Academic Progress’ tile in the Student Center. Then, choose “My Program Evaluation” on the left-hand column.

Use the “**Collapse All**” or “**Expand All**” buttons to view all categories that must be completed. To view all categories in PDF format, disable pop-up blockers and click the “**View Report as PDF**” button. (See last page for examples)

GENERAL INFORMATION [RG 1130]

Student Responsibility: It is the responsibility of each student to refer to the Program Evaluation to check which requirements have been completed and which requirements still need to be completed. A student may not shift this responsibility to an advisor or to the staff of the Office of the University Registrar.

Please note that course lists may have more than ten courses. To view a course list in full, please click the "View All" option where available.

Requirement status of "Satisfied" includes in progress courses. The report assumes the minimum passing grade will be earned and counts the course while in progress as meeting the requirement.

Repeats for in progress courses are not processed until final grades are submitted and repeat rules applied. Credit totals and requirement statuses are subject to change.

UNDERGRADUATE DEGREE REQUIREMENTS [RG 1034]

Overall Requirement Not Satisfied:

Students must meet all graduation requirements in addition to completing GE and major requirements.

GRADUATION REQUIREMENTS [RQ 1091]

Overall Requirement Not Satisfied:

All students must meet minimum graduation requirements.

Degree credit (minimum 120)

Not Satisfied: Complete a minimum 120 credits, excluding preparatory skills and credit limitations. Credits taken over the limits allowed will be added to the minimum credit required count. Please see the LIMITATIONS OF CREDIT section below and the course catalog for more information.

**This requirement may not include applicable credit adjustments based on credit limitations. If status under LIMITATIONS OF CREDIT section below shows Not Satisfied then adjustments have not been made and your remaining minimum credit needed is subject to change **

· Credits: 120.00 required, 110.00 earned, 9.00 in progress, 1.00 needed
