Accommodations for Remote Learning

Accommodations approved by Disability Services will continue to be implemented to support the newly formatted switch to remote learning.

If you are approved for:

- **Extended time on exams/quizzes:**
 - Your professors have already been contacted and provided the steps necessary to provide your extended time accommodations for any Blackboard or Canvas quizzes/exams. If you know you have an upcoming quiz/exam to be taken online, we strongly urge you to contact your professor as well to remind them to extend your quiz/exam allotted time. If your professor fails to provide you your extended time accommodation, please email dstesting@chapman.edu as soon as possible so that we may resolve this with your professor.
 - **If your quiz/exam has been moved to an online format, you WILL NOT report to the Testing Center to take the quiz/exam. If you know this booking has been moved online, please cancel this booking or contact the Testing Center to have the booking cancelled.**
- **Assistive Technology on exams/quizzes:**
 - Speech to Text Chrome Extension
 - Text to Speech Chrome Extension
- **Notetaker:**
 - Notetakers have been instructed to continue uploading notes for lecture portions of the online classes (e.g., Canvas conferences, audio lectures, video lectures, etc.)

We will continue to update you as we gather more information and resources.

If you have questions about testing related accommodations, please email dstesting@chapman.edu.

If you have any other questions, please contact ds@chapman.edu.
