COVID-19 Testing Site Information

As of: 4/13/2020

1) COVID Clinic: Go to website at covidclinic.org.
   • Orange County: 1025 Westminster Mall. Westminster, CA 92683. (On north side between the mall and 405 freeway). Monday-Sunday, 9a-5pm. Text or Call: 424-404-6872. Email: info@covidclinic.org. Need to do pre-test enrollment online. No appointment required.
   • Nasopharyngeal swab: $125. Must qualify with tele-screening. Fee consists of the tele-consult via text/email, collection of specimen, and a follow-up tele-consult with your results (2-3 days after initial test)

      Antibody test: IgM/IgG: $75.00. Finger stick. Results in 15 minutes. IgM appears 5-7 days after symptoms have started. IgG positive may indicate that your body is immune to COVID-19. This test is a “longer term” antibody, one can inform you of a previous infection with COVID-19.

      NOTE: Both tests $175.00. You may be able to submit this for reimbursement from the government or your insurance but cannot guarantee this. HSA and FSA accepted.

2) Hoag Urgent Care (Several Locations)
   • See sheet for locations and phone numbers. Main line to call is 949-791-3000. Can fax over a doctor’s order. Accepts insurance. Will check symptoms to determine if testing is needed.

3) St. Jude Hospital:
   • 4300 Rose Drive, Yorba Linda, 92886. Will test if presents with symptoms without an order from a doctor. Call 714-577-6600 for more information.
   • 4th Street in Santa Ana. Does telehealth visit first. 714-577-6600 for more information.
