Did you know?

Over 70% of all emergency room, urgent care and doctor office visits can be safely handled over the phone.

Remote Access to Licensed Medical Doctors with HealthiestYou

We've partnered with HealthiestYou to provide you with round-the-clock access to board-certified physicians. UHCSR member and non-member students can connect with a physician via phone and/or video chat* using this nationwide telehealth service. During a physician consult, you will be able to speak to a physician for diagnosis and treatment of many different acute illnesses.

Healthiest You also offers notifications via smart phone app - students may receive a notification when they arrive at an Emergency Room or Urgent Care Center. This notification will serve to remind you of your telehealth benefit that allows you to speak to a doctor without having to sit in a waiting room.
