

Student Activity Fee Advisory Committee (SAFAC) Funding Rubric - CO-SPONSORSHIP**Event/Application Name:****Organization Name:****Date Submitted:**

The **SAFAC Funding Rubric - Co-Sponsorship** provides a standardized method for evaluating the merit of Department Student Groups and university departments funding applications. The rubric incorporates expectations from SAFAC Funding Criteria and university policies. Understanding that each group and department has unique goals/objectives, these criteria serve as a baseline for evaluation and will be considered when determining the final allocation amount. These criteria provide transparency and objectivity, guiding the fair allocation of funds to Department Student Groups and university departments at Chapman University. Please circle where appropriate:

1. The group or department has <i>conveyed</i> how this application contributes to the mission/goals of their organization while benefiting and being accessible to all undergraduate student populations.	Yes	No
2. Enough information is included in the event summary and event budget for the committee to discuss the application. This includes itemized cost estimates .	Yes	No
3. The application has adequately described their expected attendance , and the funding application is commensurate with that number.	Yes	No
4. The application was submitted via Panther Connect at least three (3) weeks before the event or desired purchase date. Any applications submitted with less than three (3) weeks before the event shall be denied.	Yes	No
5. All materials were properly submitted and are accurate for the purposes stated in the application.	Yes	No
6. Chapman University fiscal policy and SAFAC Funding Criteria are followed.	Yes	No
7. The application represents a justifiable use of the student activity fee and does not set an unsustainable precedent.	Yes	No
8. If this is an on-campus event with food totaling over \$250, there is a contract with Sodexo .	Yes	No
9. If this application is for food at a general meeting , is the per/person cost under \$9?	Yes	No
10. If this application is for t-shirts , the per-item cost must be under \$18. If it is for other wearable merchandise (e.g., long sleeves, polos, sweatshirts, hats), the per-item cost must be under \$25. All merchandise must exclude academic years or single-use annual designs.	Yes	No
