      3. 9/23: Selected students pick up the remaining tickets(repeat as necessary)
   iv. Sarah Tabsh- I don’t think the random selection would work because some people who want to go and those who don’t and they might get the ticket versus someone who actually wants to go.
   v. Peter Scheinman- I think the random selection would work and then the people can possibly claim more than one ticket that way they go with others rather than alone.
   vi. Motion to the 48 hour window for pickup and if not claimed then the random selection email will go out and they can claim one or two tickets and then they also have a 48 hour window to pick up the tickets. Repeat until all the tickets are claimed - Mitchell Rosenberg

V. Open Forum
   a. Public Statement
      i. A statement from SGA regarding the current past event of the sexual assault and the euthanization.

1. Proposed statement “The members of Chapman’s Student Government Association acknowledge Chief Tom Kisela’s efforts to express concern for our young women. While we appreciate him taking the time to speak at our university, we are disappointed he missed the opportunity to reiterate California’s “yes means yes” law – one of the clearest affirmative consent state laws in the nation; to caution EVERYONE about the dangers of excess drinking; to make it clear that drinking too much is not asking for it; and that any perpetrators of assault, sexual assault, or theft will be persecuted to the fullest extent of the law. We also extend condolences to Orange High School Agriculture and Future Farmers of America. Melbye and Koressel’s trespassing is completely unacceptable and we are disappointed it led to the euthanasia of Tim the Turkey. To be clear, Chapman’s Student Government Association does not condone victim-blaming speech, excess drinking, assault, trespassing, or animal abuse.”
ii. Suggestions:
   1. Possibly separating the assault statement from the Tim the Turkey statement because it sounds like SGA is belittling the situation.

b. Meeting time in union
   i. Scheduled time in the union where office hours can be held.
